SUPPLEMENTARY INFORMATION: The following is a summary of the application. The complete application may be obtained for a fee at the SEC's Public Reference Branch.

Applicant's Representations

1. Applicant is an open-end diversified management investment company that was organized as a corporation under the laws of the State of Washington. On May 6, 1986, applicant registered under the Act as an investment company, and filed a registration statement to register its shares under the Securities Act of 1933. The registration statement was declared effective on July 15, 1986, and the initial public offering commenced on that date.

2. On May 6, 1993, applicant's board of directors approved an agreement and plan of reorganization (the "Plan") between applicant and SAFECO Taxable Bond Trust, a registered open-end management investment company organized under the laws of Delaware (the "Acquiring Fund").¹

3. By moving its assets from a Washington corporation to a Delaware trust, applicant expects its shareholders to benefit from the adoption of new methods of operations and employment of new technologies that are expected to reduce costs. For example, Washington corporations are required to hold annual meetings, whereas Delaware trusts have no such requirement. Further, Delaware trusts generally have greater flexibility than Washington corporations to respond to future contingencies, allowing such trusts to operate under the most advanced and cost efficient form of organization. For example, Delaware law authorizes electronic or telephonic communications between a Delaware trust and its shareholders. In

¹ Applicant's board of directors determined that the Plan was in the best interests of applicant and that the interests of applicant's existing shareholders would not be diluted as a result of effecting the transactions.

addition, as one of several series of the Acquiring Fund, applicant's shareholders should enjoy certain expense savings through economies of scale that would not be available to a stand-alone entity.

4. On May 7, 1993, applicant filed proxy materials with the SEC and afterwards distributed such proxy materials to its shareholders. On August 5, 1993, applicant's shareholders approved the reorganization.

5. Pursuant to the Plan, on September 30, 1993, applicant transferred all of its assets to the Acquiring Fund in exchange for shares of the Acquiring Fund. Immediately thereafter, applicant distributed *pro rata* to its shareholders the shares it received from the Acquiring Fund in the reorganization. On September 30, 1993, applicant had 6,252,370.373 shares outstanding, having an aggregate net asset value of \$62,719,739.85 and a per share net asset value of \$10.03.

6. Expenses incurred in connection with the reorganization, consisting of legal fees, accounting fees, and printing and mailing costs for the proxy solicitation, were approximately \$12,068 and were paid by applicant.

7. There are no securityholders to whom distributions in complete liquidation of their interests have not been made. Applicant has no debts or other liabilities that remain outstanding. Applicant is not a party to any litigation or administrative proceeding.

8. Applicant filed articles of dissolution with the State of Washington on October 1, 1993.

9. Applicant is not now engaged, nor does it propose to engage, in any business activities other than those necessary for the winding up of its affairs.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.

Margaret H. McFarland,
Deputy Secretary.
