

membership, the new entity will be subject to all other requirements for membership approval.

The Commission believes that the amendments to Articles V and VIII of the PSE Constitution reasonably balance the Exchange's interest in having the flexibility to approve entities with new organizational structures for Exchange membership, with the regulatory interests in protecting the financial and structural integrity of a member organization. For example, although the amendments permit the Exchange to approve business trusts, limited liability companies, or other organizational structures with characteristics of corporations or partnerships as member organizations, the PSE will review each Exchange member organization application on a case-by-case basis, and prior to approving any such organization for membership, the Exchange must be satisfied that: (1) the Exchange would legally have appropriate jurisdiction over such an entity; and (2) the permanency of the entity's capital is consistent with that required of other member organizations.

III. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁷ that the proposed rule change (SR-PSE-95-06) is approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁸

Margaret H. McFarland,

Deputy Secretary.

SOCIAL SECURITY ADMINISTRATION

Office of Inspector General

Privacy Act of 1974; Report on Changes to Systems of Records

AGENCY: Office of Inspector General (OIG), SSA.

ACTION: Notice.

SUMMARY: This notice sets forth information on two systems of records, currently maintained by the Inspector General of the Department of Health and Human Services (HHS/IG), that are now being duplicated and slightly modified for use by the Inspector General of the Social Security Administration (SSA/IG).

⁷ 15 U.S.C. 78s(b)(2).

⁸ 17 CFR 200.30-3(1)(12).

FOR FURTHER INFORMATION CONTACT:

Olive Franklin, Office of Investigations, (202)-619-2501. Glenn Sklar, Office of the General Counsel, (410)-965-6247.

SUPPLEMENTARY INFORMATION: The Social Security Independence and Program Improvements Act of 1994 (SSIPIA), Pub. L. 103-296, separated the Social Security Administration (SSA) from its parent agency, the Department of Health and Human Services (HHS), and established SSA as an independent agency effective March 31, 1995. The SSIPIA also required that all functions relating to SSA that were previously performed by the HHS/IG must be transferred to the SSA/IG. In order to perform these functions, the SSA/IG must duplicate, and slightly modify, two systems of records that are currently maintained by the HHS/IG. Therefore, the system of records entitled "Criminal Investigative Files of the Inspector General, HHS/OS/OIG" (09-90-0003) last published on November 2, 1990, and the system of records entitled "Civil and Administrative Investigative Files of the Inspector General, HHS/OS/OIG" (09-90-0100) last published on September 30, 1982, will now describe both the HHS system of records and the SSA system of records. The SSA system of records will simply require minor conforming changes to system names, numbers, and managers that are described below.

At the present time, the SSA/IG will not be expanding record coverage, changing routine uses, or affecting an individual's ability to access his or her records in any significant way for these systems of records.

SYSTEM NAME AND NUMBER: OIG-001—Criminal Investigative Files of the Inspector General, SSA/OIG. (Duplicating existing HHS system of records 09-90-0003 entitled "Criminal Investigative Files of the Inspector General, HHS/OS/OIG.")

SYSTEM MANAGER AND ADDRESS: Office of Inspector General, Social Security Administration, 6401 Security Boulevard, Baltimore, Maryland 21235.

Dated: April 7, 1995.
