

Land Withdrawal Amendment and Decision Record has been completed and is available to the public. This amendment will allow for the implementation of a United States Air Force proposal to withdraw 3,972 acres of public land in Lincoln County, Nevada. The purpose of the withdrawal is to provide a security and safety buffer to the adjacent withdrawn Nellis Air Force Range.

ADDRESSES: Copies of the Approved Land Use Plan Amendment and Decision Record may be obtained by writing to: Bureau of Land Management, Las Vegas District Office, 4765 W. Vegas Drive, Las Vegas, Nevada, 89108.

FOR FURTHER INFORMATION CONTACT: Mike Dwyer, District Manager, at the above Las Vegas District address or telephone (702) 647-5000.

SUPPLEMENTARY INFORMATION: The withdrawal will remove the subject lands from settlement, sale, or entry under the public land laws, including the mining laws of the United States subject to valid existing rights. It will be for a period of about six years, ending November 6, 2001, with the opportunity for reviews and renewal. All forms of public access, recreation, mineral exploration, oil and gas leasing, and mineral development will be prohibited. The land withdrawal will not allow for the construction of any on-site facilities or air-to-ground targeting activities. However, it will allow for the maintenance of existing roads and placing of security devices (e.g., posting, warning signs, sensors) along or near the boundary of the withdrawal area.

The Caliente Management Framework Plan is amended to exclude the withdrawal area. The Nellis Air Force Range Resource Plan is amended to include the additional acreage. Management of the land to be withdrawn will conform to decisions in the Nellis Air Force Range Resource Plan. The Bureau of Land Management will continue to administer livestock grazing on the Bald Mountain Allotment. The Caliente Management Framework Plan will continue to provide management direction for the non-withdrawn portions of the grazing allotment and the Nellis Air Force Range Resource Plan will provide management direction for those portions of the allotment within the military withdrawal.

Copies of the Approved Plan Amendment and Decision Record will be mailed to all individuals who participated in the planning process and other individuals upon request.

Dated: April 7, 1995.

Ann J. Morgan,

State Director, Nevada.
