

and in newspapers of general circulation in the State of Colorado. A notice will also be sent to the person(s) requesting the hearing as well as to the State of Colorado. The hearing notice will include a statement of purpose, information regarding time and location, and the address and telephone number where interested persons may obtain further information. The Regional Administrator will issue an order affirming or rescinding his determination upon review of the hearing record. Should the determination be affirmed, it will become effective as of the date of the order.

Should no timely and appropriate request for a hearing be received, and the Regional Administrator does not elect to hold a hearing on his own motion, this determination shall become effective on May 24, 1995. Please bring this notice to the attention of any persons known by you to have an interest in this determination.

All documents relating to this determination are available for inspection at the following locations: (1) U.S. EPA Region VIII, Drinking Water Branch, 999 18th Street (4th floor), Denver, Colorado; (2) Colorado Department of Public Health and Environment, Drinking Water Section, 4300 Cherry Creek Drive South, Denver, Colorado.

**FOR FURTHER INFORMATION CONTACT:** Marty Swickard, Drinking Water Branch, EPA Region VIII (8WM-DW), 999 18th Street, Suite 500, Denver, Colorado 80202-2466, telephone (303) 293-1629.

Dated: April 13, 1995.

**Robert L. Duprey,**

*Acting Regional Administrator, EPA, Region VIII.*

### Public Water System Supervision Program Revision for the Commonwealth of Kentucky

**AGENCY:** Environmental Protection Agency.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the Commonwealth of Kentucky is revising its approved Public Water System Supervision Primacy Program. Kentucky has adopted drinking water regulations for Volatile Organic Chemicals, Synthetic Organic Chemicals and Inorganic Chemicals (known as the Phase II and Phase V Rules of the

National Primary Drinking Water Regulations). Kentucky has also adopted drinking water regulations for lead and copper (known as the Lead and Copper Rule of the National Primary Drinking Water Regulations). EPA has determined that Kentucky's program revisions are no less stringent than the corresponding federal regulations. Therefore, EPA has tentatively decided to approve the revisions.

All interested parties may request a public hearing. A request for a public hearing must be submitted by not later than May 24, 1995 to the Regional Administrator at the address shown below. Frivolous or insubstantial requests for a hearing may be denied by the Regional Administrator. However, if a substantial request for a public hearing is made by not later than May 24, 1995, a public hearing will be held. If no timely and appropriate request for a hearing is received and the Regional Administrator does not elect to hold a hearing on his/her own motion, this determination shall become final and effective on May 24, 1995.

Any request for a public hearing shall include the following: (1) The name, address, and telephone number of the individual, organization, or other entity requesting a hearing; (2) a brief statement of the requesting person's interest in the Regional Administrator's determination and a brief statement of the information that the requesting person intends to submit at such hearing; and (3) the signature of the individual making the request, or, if the request is made on behalf of an organization or other entity, the signature of a responsible official of the organization or other entity.

**ADDRESSES:** All documents relating to this determination are available for inspection between the hours of 8 a.m. and 4:30 p.m., Monday through Friday, at the following offices:

Kentucky Natural Resources and Environmental Protection Cabinet, Fort Boone Plaza, 14 Reilly Road, Frankfort, Kentucky 40601.

Environmental Protection Agency, Region IV, 345 Courtland Street, NE., Atlanta, Georgia 30365.

**FOR FURTHER INFORMATION CONTACT:** Philip H. Vorsatz, EPA, Region IV, Drinking Water Section at the Atlanta address given above or telephone (404) 347-2913.

(Sec. 1413 of the Safe Drinking Water Act, as amended (1986), and 40 CFR 141 and 142 of the National Primary Drinking Water Regulations).

Dated: April 5, 1995.

**Patrick M. Tobin,**

*Acting Regional Administrator, EPA, Region IV.*
