AGENCY: Environmental Protection Agency.

ACTION: Notice.

SUMMARY: Public notice is hereby given in accordance with the provision of Section 1413 of the Safe Drinking Water Act, as amended, 42 U.S.C. 300f *et seq.*, and 40 CFR part 142, subpart B, the National Primary Drinking Water Regulations (NPDWR), that the State of Michigan is revising its approved Public Water System Supervision (PWSS) primacy program. The Michigan Department of Public Health (MDPH) has adopted drinking water regulations for Lead and Copper, 18 synthetic organic chemicals (SOCs), and 5 inorganic chemicals (IOCs), that correspond to the NPDWR for Lead and Copper, SOCs, and IOCs, and promulgated by the U.S. Environmental Protection Agency (U.S. EPA) on June 7, 1991 (56 FR 26460-26564), and on July 17, 1992 (57 FR 31776-31849). The USEPA has completed its review of Michigan's PWSS primacy program revision.

The USEPA has determined that the Michigan rule revisions meet the requirements of the Federal rule. Therefore, the USEPA has determined that the State program revisions referenced above are no less stringent than the corresponding Federal regulations and is proposing to approve the MDPH's rule revisions.

All interested parties are invited to submit written comments on these proposed determinations, and may request a public hearing on or before May 25, 1995. The Regional Administrator will issue an order affirming or rescinding his determination upon review of the hearing record. Should the determination be affirmed, it will become effective as of the date of the order.

Should no timely and appropriate request for a hearing be received, and should the Regional Administrator not elect to hold a hearing on his own motion, these determinations shall become effective on May 25, 1995. Notice is given that a complaint filed by Shipco Transport Inc. ("Complainant") against Saturn Air Sea Cargo ("Respondent") was served April 19, 1995. **First Union Corporation; Notice to
Engage in Certain Nonbanking
Activities**

First Union Corporation, Charlotte,
North Carolina (Notificant), has

provided notice pursuant to section 4(c)(8) of the Bank Holding Company Act (12 U.S.C. 1843(c)(8)) (BHC Act) and § 225.23(a)(3) of the Board's Regulation Y (12 CFR 225.23(a)(3)), to engage through its subsidiary, First Union Capital Markets Corp., Charlotte, North Carolina (Company), in underwriting and dealing in debt and equity securities of all types, other than shares of open-end investment companies, and acting as advisor with respect to swaps, caps and similar instruments based on commodities; stock, bond or commodities indices; or a hybrid of interest rates and such commodities or indices. These activities will be conducted nationwide.

Notificant maintains that the Board previously has determined that the proposed activities are closely related to banking. Notificant believes that the proposal would produce public benefits that outweigh any potential adverse effects. In particular, Notificant maintains that the proposal would enhance competition and enable Notificant to offer its customers a broader range of products.
