BILLING CODE 8010-01-M

Issuer Delisting; Notice of Application to Withdraw From Listing and Registration; (Semtech Corporation, Common Stock, \$.01 Par Value) File No. 1-6395

April 20, 1995.

The Semtech Corporation ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified security ("Security") from listing and registration on the American Stock Exchange, Inc. ("Amex").

The reasons alleged in the application for withdrawing the Security from listing and registration include the following:

According to the Company, its Board of Directors unanimously approved resolutions on March 2, 1995 to withdraw the Security from listing on the Amex and, instead, list the Security on the Nasdaq/NMS. The decision of the Board followed a lengthy study of the matter, and was based upon the belief that listing of the Security on the Nasdaq/NMS will be more beneficial to its stockholders than the present listing on the Amex because:

(a) The support of Market Makers on the Nasdaq (as compared to the activities of the AMEX specialist) and the potential for research coverage and other financial services will be advantageous;

(b) The greater visibility of the Nasdaq with various media coverage will be advantageous;

(c) The potential for the Company to be promoted as a growth-oriented, diversified company is enhanced on the Nasdaq, given the Nasdaq's history;

(d) There is potentially more capital support for the Company in the Nasdaq given the Market Maker's responsibilities; and

(e) The services the Nasdaq offers that have been reviewed are more likely to assist the Company in communicating

with shareholders and understanding the market.

Any interested person may, on or before May 11, 1995, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549, facts bearing upon whether the application has been made in accordance with the rules of the Amex and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Jonathan G. Katz,

Secretary.
