National Oceanic and Atmospheric Administration

Evaluation of State Coastal Management Programs and National Estuarine Research Reserves

AGENCY: Office of Ocean and Coastal Resource Management, National Ocean Service, National Oceanic and Atmospheric Administration (NOAA), DOC.

ACTION: Notice of availability of evaluation findings.

SUMMARY: Notice is hereby given of the availability of the final evaluation findings for the Hawaii, North Carolina, and Virgin Islands Coastal Management Programs, and the Padilla Bay (Washington) and Waquoit Bay

(Massachusetts) National Estuarine Research Reserves (NERRs). Section 312 and 315 of the Coastal Zone Management Act of 1972 (CZMA), as amended, requires a continuing review of the performance of coastal states with respect to coastal management and the operation and management of NERRs.

The states of Hawaii and North Carolina were found to be implementing and enforcing their Federally approved coastal management programs, addressing the national coastal management objectives identified in CZMA section 303(2)(A)–(K), and adhering to the programmatic terms of their financial assistance awards.

The Territory of the Virgin Islands was found to be adhering to its approved program. However the Department of Planning and Natural Resources has not fully adhered to applicable terms of its financial assistance awards with respect to the timely completion of a critical grant task (Areas for Particular Concern management plans). Implementation of several recommendations listed in the findings will bring the Virgin Islands back into satisfactory adherence. Padilla Bay and Waquoit Bay NERRs were found to be satisfactorily adhering to programmatic requirements of the NERR system.

Copies of these final evaluation findings may be obtained upon request from: Vickie Allin, Chief, Policy Coordination Division, Office of Ocean and Coastal Resource Management, NOS/NOAA, 1305 East-West Highway, 11th Floor, Silver Spring, Maryland 20910 (301) 713-3087 x126

Dated: April 27, 1995.

W. Stanley Wilson,

Assistant Administrator for Ocean Services and Coastal Zone Management.
