2. Given the significant number of authorizations affected by the 800 MHz Application Grants Public Notice and the Number of licensees that could be potentially affected if the Commission acted favorably upon the Coalition’s request, we conclude that the public interest would be served by modifying such license grants to be conditional grants pending the Bureau’s disposition of the Coalition’s Petition.

3. Accordingly, It Is Hereby Ordered, pursuant to Section 1.113 of the Commission’s Rules, 47 CFR 1.113(a), that the license grants made in the 800 MHz Application Grants Public Notice issued by the Bureau on March 17, 1995 Are Modified as described herein.
