DEPARTMENT OF COMMERCE

Agency Form Under Review by the Office of Management and Budget

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: Bureau of the Census.

Title: Current Industrial Reports – Broadwoven Fabrics (Gray).

Form Number(s): MQ22T.

Agency Approval Number: 0607–0625.

Type of Request: Revision of a currently approved collection.

Burden: 1,339 hours.

Number of Respondents: 487.

Avg Hours Per Response: 56 minutes.

Needs and Uses: This survey is part of the Census Bureau's Current Industrial Reports Program which measures United States production of various manufactured products. The Census Bureau conducts this survey quarterly to gather information on the level of production of selected broadwoven fabrics. The interagency Committee for the Implementation of Textile Agreements (CITA) uses survey data to monitor potential market disruptions resulting from trade in gray broadwoven fabric. Other government agencies, trade associations, and business firms use these data for making production, investment, and trade policy decisions. Most establishments report quarterly in this survey. Those establishments that contribute less than 10 percent to any publishable item report annually. This request for revision informs OMB of a change in sample size due to a reduction in the universe of manufacturers in this segment of the economy. No other changes are requested.

Affected Public: Businesses or other for-profit organizations.

Frequency: Quarterly, with annual counterpart.

Respondent's Obligation: Mandatory.
OMB Desk Officer: Maria Gonzalez, (202) 395–7313.

Copies of the above information collection proposal can be obtained by calling or writing Gerald Taché, DOC Forms Clearance Officer, (202) 482–3271, Department of Commerce, room 5312, 14th and Constitution Avenue, NW, Washington, DC 20230.

Written comments and recommendations for the proposed information collection should be sent to Maria Gonzalez, OMB Desk Officer, room 10201, New Executive Office Building, Washington, DC 20503.

Dated: April 27, 1995.

Gerald Taché,

Departmental Forms Clearance Officer, Office of Management and Organization.

Agency Form Under Review by the Office of Management and Budget

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: Bureau of the Census.

Title: Annual Retail Trade Report.

Form Number(s): B–151, B–151A, B–151D, B–153, B–153D.

Agency Approval Number: 0607–0013.

Type of Request: Revision of a currently approved collection.

Burden: 8,686 hours.

Number of Respondents: 20,805.

Avg Hours Per Response: 25 minutes.

Needs and Uses: The Bureau of the Census conducts the Annual Retail Trade Survey to collect annual totals of sales, inventories, inventory valuation methods, purchases, and accounts receivable balances from a sample of retail establishments in the United States. The estimates compiled from this survey are critical to the accurate measurement of total economic activity and are used in computing such indicators of economic well-being as the Gross Domestic Product and the National Income and Product Accounts. Survey results also provide valuable information for economic policy

decisions and actions by the government and are widely used by private businesses, trade organizations, professional associations, and others for market research and analysis. This request for revision informs OMB of some recent methodological changes the Census Bureau has implemented for estimating retail nonemployers and recent employer births. We now use new Employer Identification Numbers (EINs) and administrative records provided by the Internal Revenue Service for estimating these components of retail trade. Previously we used an area sample.

Affected Public: Businesses or other for-profit organizations.

Frequency: Annual.

Respondent's Obligation: Mandatory.

OMB Desk Officer: Maria Gonzalez, (202) 395–7313.

Copies of the above information collection proposal can be obtained by calling or writing Gerald Taché, DOC Forms Clearance Officer, (202) 482–3271, Department of Commerce, room 5312, 14th and Constitution Avenue, NW, Washington, DC 20230.

Agency Form Under Review by the Office of Management and Budget

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: Bureau of the Census.

Title: MAF and TIGER Linkage Activities.

Form Number(s): Will vary by activity.

Agency Approval Number: None.

Type of Request: New collection.

Burden: 1,195 hours.

Number of Respondents: 32,103.

Avg Hours Per Response: Two and one half minutes.

Needs and Uses: The Census Bureau requests OMB approval for a generic clearance to undertake a number of activities it plans to conduct to create and update its Master Address File (MAF) and maintain the linkage between the MAF and the Topologically Integrated Geographic Encoding and Referencing (TIGER) data base of address ranges and associated geographic information. These activities will be conducted on a schedule to support preparations for the 2000 decennial census, but also will support the address matching and geocoding requirements of the proposed Continuous Measurement program, the population estimates program, the economic and agriculture censuses, and the current demographic surveys. This clearance will allow the Census Bureau to focus its limited resources on operational planning and procedural development activities. The activities to be conducted under this clearance are: Listing, Update/Leave, MAF

Reconciliation, Canvassing, Block Splits, Field Verification, Master Address File Quality Improvement Program (MAF QIP), the Address List Availability Survey (ALAS), and the Rural Address Reference Availability Survey (RARAS). The Census Bureau has conducted each category of activity (or similar ones) previously and the burden remains relatively unchanged from one time to another. **Affected Public:** Individuals or households. **Frequency:** One-time. **Respondent's Obligation:** Mandatory. **OMB Desk Officer:** Maria Gonzalez, (202) 395-7313.
