

financial futures and options on futures); and *Societe Generale*, 76 Federal Reserve Bulletin 776 (1990). Deutsche Bank maintains that Futures would conduct these previously approved activities in conformance with the conditions and limitations established by the Board in prior cases.

In order to approve the proposal, the Board must determine that the proposed activities to be conducted by Deutsche Bank and Futures "can reasonably be expected to produce benefits to the public, such as greater convenience, increased competition, or gains in efficiency, that outweigh possible adverse effects, such as undue concentration of resources, decreased or unfair competition, conflicts of interests, or unsound banking practices." 12 U.S.C. 1843(c)(8). Deutsche Bank believes that the proposal will produce public benefits that outweigh any potential adverse effects. In particular, Deutsche Bank maintains that the proposal will enhance competition and enable Deutsche Bank to assist its customers in lowering financing costs, contributing to greater market stability, increasing efficiency and reducing portfolio risk. In addition, Deutsche Bank states that the proposed activities will not result in adverse effects such as an undue concentration of resources, decreased or unfair competition, conflicts of interest, or unsound banking practices.

In publishing the proposal for comment, the Board does not take a position on issues raised by the proposal. Notice of the proposal is published solely to seek the views of interested persons on the issues presented by the application and does not represent a determination by the Board that the proposal meets, or is likely to meet, the standards of the BHC Act.

Any comments or requests for hearing should be submitted in writing and received by William W. Wiles, Secretary, Board of Governors of the Federal Reserve System, Washington, D.C. 20551, not later than May 18, 1995. Any request for a hearing on this application must, as required by § 262.3(e) of the Board's Rules of Procedure (12 CFR 262.3(e)), be accompanied by a statement of the reasons why a written presentation would not suffice in lieu of a hearing, identifying specifically any questions of fact that are in dispute, summarizing the evidence that would be presented at a hearing, and indicating how the party commenting would be aggrieved by approval of the proposal.

### **Health Care Financing Administration**

#### **Hearing: Reconsideration of Disapproval of Illinois State Plan Amendment (SPA)**

**AGENCY:** Health Care Financing Administration (HCFA), HHS.

**ACTION:** Notice of hearing.

**SUMMARY:** This notice announces an administrative hearing on June 14, 1995, at 10 a.m. in the 15th Floor Conference Room, 105 West Adams, Chicago, Illinois to reconsider our decision to disapprove Illinois SPA 93-14.

**CLOSING DATE:** Requests to participate in the hearing as a party must be received by the presiding officer by May 19, 1995.

**FOR FURTHER INFORMATION CONTACT:** Stan Katz, Presiding Officer, Ground floor, Meadowwood East Building, 1849 Gwynn Oak Avenue, Baltimore, Maryland 21207, Telephone: (410) 597-3013.

**SUPPLEMENTARY INFORMATION:** This notice announces an administrative hearing to reconsider our decision to disapprove Illinois State plan amendment (SPA) number 93-14.

Section 1116 of the Social Security Act (the Act) and 42 CFR part 430 establish Department procedures that provide an administrative hearing for reconsideration of a disapproval of a State plan or plan amendment. The Health Care Financing Administration (HCFA) is required to publish a copy of the notice to a State Medicaid agency that informs the agency of the time and place of the hearing and the issues to be considered. If we subsequently notify the agency of additional issues that will be considered at the hearing, we will also publish that notice.

Any individual or group that wants to participate in the hearing as a party must petition the presiding officer within 15 days after publication of this notice, in accordance with the requirements contained at 42 CFR 430.76(b)(2). Any interested person or organization that wants to participate as *amicus curiae* must petition the presiding officer before the hearing begins in accordance with the requirements contained at 42 CFR 430.76(c). If the hearing is later rescheduled, the presiding officer will notify all participants.

The State of Illinois submitted SPA 93-14 on October 18, 1994, to establish a new payment adjustment for uncompensated care services, and requested an effective date of July 1, 1993.

The issue in this matter is whether Illinois SPA 93-14, meets Federal regulations which require the State to comply with the public notice requirements in Section 447.205.

Illinois published public notice on August 6, 1993, with the plan amendment's proposed effective date of July 1, 1993.

HCFA believes the proposed effective date of the plan amendment was not approvable because the State failed to comply with the Federal regulation at 42 CFR 447.253(h) which requires that the Medicaid agency must comply with public notice requirements in § 447.205 when it is proposing significant changes to its methods and standards for setting payment rates for inpatient hospital and long-term care facility services. Section 447.225(d)(1) requires that the notice be published before the proposed effective date of the change. The State's requested effective date is prior to the date of the public notice announcement.

However, because public notice was published on August 5, 1993, HCFA believes the plan amendment was approvable with an effective date of August 6, 1993.

The State of Illinois contends that the change was not significant. Additionally, Illinois challenges HCFA's disapproval because public notice was published prior to the State's implementation of the amendment, and because the eventual disallowances of Federal financial participation funds based on public notice requirements are the subject of current regulatory reform proposals.

Under HCFA's policy, the sole factor in determining a significant change is the degree to which the State is proposing to modify its payment methods and standards. HCFA believes since this amendment established a new payment adjustment for uncompensated care services, the amendment represents a significant change in the methods and standards used to determine payment rates.

The notice to Illinois announcing an administrative hearing to reconsider the disapproval of its SPA reads as follows:

Mr. Robert W. Wright,  
*Director, Illinois Department of Public Aid,  
Jesse B. Harris Building II, 3rd Floor, 100  
South Grand Avenue, East, Springfield,  
Illinois 62762-0001*

Dear Mr. Wright: I am responding to your request for reconsideration of the decision to disapprove Illinois State Plan Amendment (SPA) 93-14. The State of Illinois submitted SPA 93-14 on October 18, 1994, to establish a new payment adjustment for uncompensated care services, and requested an effective date of July 1, 1993.

The issue in this matter is whether Illinois SPA 93-14, meets Federal regulations at 42 CFR 447.253(h) which require the State to comply with the public notice requirements in section 447.205.

I am scheduling a hearing on your request for reconsideration to be held on June 14, 1995, at 10 a.m. in the 15th floor conference room, 105 West Adams, Chicago, Illinois. If this date is not acceptable, we would be glad to set another date that is mutually agreeable

to the parties. The hearing will be governed by the procedures prescribed at 42 CFR, Part 430.

I am designating Mr. Stanley Katz as the presiding officer. If these arrangements present any problems, please contact the presiding officer. In order to facilitate any communication which may be necessary between the parties to the hearing, please notify the presiding officer to indicate acceptability of the hearing date that has been scheduled and provide the names of the individuals who will represent the State at the hearing.
