Title: 1995 TeleForm Script Usability Testing

Description: The purpose of the TeleForm usability assessment testing is to gather preliminary information from taxpayers about the comprehensibility and organization of the TeleForm scripts. We also want to obtain reactions and opinions of respondents using the application. This testing will allow the IRS to improve the TeleForm application as well as make it easier for taxpayers to use.

Title: 1995 IRS Customer Satisfaction Survey

Description: The purpose of this survey is to collect information to determine taxpayer opinions about the quality of service provided by the IRS; to determine the relative importance of the various aspects of quality service; and to Executive Order 12862 which requires federal agencies to survey their customers about their satisfaction with existing services and to identify services that these customers desire, the IRS made a commitment to continue to seek customer input through customer surveys. This survey will provide crucial information needed by the IRS to develop and implement effective customer satisfaction measures that meet the Agency's mandate to improve quality service.
