FEDERAL MARITIME COMMISSION

[Docket No. 94-24]

Petition of South Carolina State Ports Authority for Declaratory Order; Order Granting Petition in Part and Denying Petition in Part

South Carolina State Ports Authority ("SCSPA" or "Petitioner") has filed with the Federal Maritime Commission ("Commission" or "FMC") a Petition For A Declaratory Order ("Petition") pursuant to Rule 68 of the Commission's Rules of Practice and Procedure, 46 C.F.R. § 502.68 (1993), to allow it to act without peril in issuing in its FMC-filed tariff guidelines for the criteria it will apply to license stevedores and marine terminal operators ("MTOs") operating at SCSPA facilities. SCSPA alleges that "economic regulation" of stevedores and MTOs doing business or seeking to do business at public port facilities is necessary to protect the public investment in the facilities.

Notice of the filing of the Petition was published in the **Federal Register** inviting interested parties to submit replies to the Petition.¹ Twelve parties filed replies to the Petition. Following receipt of all but two of the replies, SCSPA filed a Motion For Leave To File A Response ("Motion"). Six parties responded to the Motion.

The Petition

SCSPA represents that it seeks "to remove uncertainty, to terminate a controversy, and to allow it to act without peril upon its view of the right to regulate the activity of persons seeking to perform stevedore and public marine terminal functions at [SCSPA] facilities." Petition at 1. SCSPA maintains that its Petition is an appropriate subject for exercise of the Commission's authority to entertain petitions for declaratory orders under

¹ Two parties subsequently requested and were granted a 30-day extension of time to file replies.
