**SUPPLEMENTARY INFORMATION:** On November 14, December 9, 1994, January 13, March 10, and 17, 1995, the Committee for Purchase From People Who Are Blind or Severely Disabled published notices (59 FR 56467, 63764, 60 FR 3196, 13122, 14427) of proposed additions to the Procurement List. After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the military resale commodity, commodities and services, fair market price, and impact of the additions on the current or most recent contractors, the Committee has determined that the military resale commodity, commodities and services listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the military resale commodity, commodities and services to the Government.

2. The action does not appear to have a severe economic impact on current contractors for the military resale commodity, commodities and services.

3. The action will result in authorizing small entities to furnish the military resale commodity, commodities and services to the Government.

4. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the military resale commodity, commodities and services proposed for addition to the Procurement List.
