

#### 4. Public Participation

Under 29 CFR 1953.2(c), the Assistant Secretary may prescribe alternative procedures to expedite the review process or for other good cause which may be consistent with applicable laws. The Assistant Secretary finds that good cause exists for not publishing the supplement to the Connecticut Public Sector Plan as a proposed change and making the Regional Administrator's approval effective upon publication for the following reason:

1. The standards were adopted in accordance with the procedural requirements of State law which included public comment, and further public participation would be repetitious.

This decision is effective on May 8, 1995.

**Authority:** Sec. 18, Pub. L. 91-596, 84 Stat. 1608 (29 U.S.C. 667).

Signed at Boston, Massachusetts, this 10th day of February 1995.
