Third Revised Sheet No. 8A.01
3rd Revised Original Sheet No. 8A.02
2nd Revised Seventh Revised Sheet No. 8B
2nd Revised Original Sheet No. 8B.01

FGT states that it is requesting expedited Commission action on the filing. FGT states that it is filing to make out-of-cycle adjustments to both the Current Fuel Reimbursement Charge and the Annual Fuel Surcharge components of its Effective Fuel Reimbursement Charge. FGT is proposing to increase the Current Fuel Reimbursement Charge from 2.89% to 3.34% to more closely match this charge with the quantities of fuel usage and lost and unaccounted for gas currently being experienced on its system and minimize the balance of its Deferred Fuel Account.

Further, FGT states that it is necessary to revise its Annual Fuel Surcharge from the currently effective <0.30>% to 0.51%. FGT states this is required to reflect the net under recovery of fuel volumes on its system through February 28, 1995 and to segregate the Deferred Fuel Account Balance related to transportation service in effect prior to the institution of incremental firm transportation service under Rate Schedule FTS-2. FGT states that such under recovery of fuel prior to March 1, 1995, will be recovered from transportation services in effect prior to that date and any subsequent over or under collection of fuel should be isolated for recovery from all shippers.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426 in accordance with §§ 385.211 and 385.214 of the Commission's Rules and Regulations. All such motions or protests should be filed on or before May 10, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.
