Health Resources and Services Administration**Final Review Criteria for Cooperative Agreements for Basic/Core Area Health Education Centers Programs and Model State-Supported Area Health Education Centers Programs for Fiscal Year 1995**

The Health Resources and Services Administration (HRSA) announces the final review criteria for fiscal year (FY) 1995 Cooperative Agreements for Basic/Core Area Health Education Centers (AHEC) Programs authorized under section 746(a)(1) and Model State-Supported Area Health Education Centers Programs authorized under section 746(a)(3), title VII of the Public Health Service Act, as amended by the Health Professions Education Extension Amendments of 1992, Public Law 102-408, dated October 13, 1992.

Purpose and Eligibility

In general, an area health education centers program shall be a cooperative program of one or more allopathic or osteopathic medical schools and one or more public or nonprofit private regional area health education centers.

Section 746(a)(1) of the PHS Act authorizes Federal assistance to schools of allopathic or osteopathic medicine which have cooperative arrangements with one or more public or nonprofit private area health education centers for the planning, development and operation of area health education centers programs.

To be eligible to receive support for an area health education centers cooperative agreement, the applicant must be a public or nonprofit private accredited school of allopathic or osteopathic medicine or consortium of

such schools, or the parent institution on behalf of such school(s).

Section 746(a)(3) authorizes Federal assistance to any school of allopathic or osteopathic medicine that is operating an area health education centers program and that is not receiving financial assistance under section 746(a)(1), title VII of the PHS Act.

The statutory authority for the Model State-Supported AHEC Program contains explicit language regarding activities and agreements between the medical and osteopathic schools which develop AHEC programs and the free-standing, community-based area health education centers which provide training sites and resources for the activities. To accomplish these specific tasks, a system of subcontracts is developed between the health professions schools and the independent AHEC centers in the communities. The principal objective of the legislation for the Model State-Supported AHEC Program is to encourage State coordination and support for AHEC activities.

Review Criteria

The program announcement, published in the **Federal Register** at 59 FR 67303 on December 29, 1994, proposed two additional review criteria for this program. No comments were received during the 30 day comment period. Therefore, the review criteria remain as proposed and are included as the last two criteria in the list below. These review criteria apply to the Basic/Core AHEC Programs, section 746(a)(1) and the Model State-Supported AHEC Programs, section 746(a)(3).

The review of applications will take into consideration the following criteria:

1. The degree to which the proposed project adequately provides for the program requirements set forth in sections 746(a)(1) and 746(a)(3);
2. The capability of the applicant to carry out the proposed project activities in a cost-efficient manner;
3. The extent of the need of the area to be served by the proposed area health education center;
4. The potential of the proposed AHEC program and participating centers to continue on a self-sustaining basis; and
5. The extent to which the proposed project adequately responds to AHEC Program performance measures and outcome indicators.

Additional Information

If additional programmatic information is needed, please contact: Louis Coccodrilli, M.P.H., Acting Chief, AHEC and Special Programs Branch,

The Cooperative Agreement for Basic/Core Area Health Education Centers Programs is listed at 93.824 and the Model State-Supported Area Health Education Centers Programs is listed at 93.107 in the Catalog of Federal Domestic Assistance. These programs are not subject to the provisions of Executive Order 12372, Intergovernmental Review of Federal Programs (as implemented through 45 CFR part 100) or the Public Health System Reporting Requirements.

Dated: May 1, 1995.

Ciro V. Sumaya,
Administrator.

SUPPLEMENTARY INFORMATION: This Notice informs the public that the Department of Housing and Urban Development has submitted to OMB, for expedited processing, and information collection package with respect to the Youth Apprenticeship Program Participant Information Form. HUD is requesting a 7-day OMB review of this information collection.

The Youth Apprenticeship Program (YAP) is funded under the Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act for 1994. The program provides funding to eight public housing authorities (PHAs) that have previously been awarded grants under the HOPE VI program. The purpose of YAP is to provide training, apprenticeship, and employment for youth living in qualified public and assisted housing through the collaborative efforts of Youth Corps and joint labor management organizations.

Of the \$10 million appropriated to YAP in fiscal year 1994, \$250,000 was set aside by Congress to be used for an evaluation of the program.

The planned evaluation for this program has two principal components—(1) Site specific process evaluation; and (2) participant tracking. The first component will involve interviews with Housing Authority, Youth Corps, and apprenticeship organizations at each of the sites to collect initial performance and planning information. The second component, participant tracking, would use the Youth Apprenticeship Program Participation Information Form to collect information about individuals at four phases of the program:

1. Beginning of Youth Corps component.
2. End of Youth Corps/Pre-employment training.
3. Beginning of apprenticeship.
4. Annually during apprenticeship.

A final evaluation of YAP is planned in three to five years using the data collected from the reporting forms as well as additional on-site visits.

The Department has submitted the proposal for the collection of information, as described below, to OMB for review, as required by the Paperwork Reduction Act (44 U.S.C. Chapter 35):

- (1) the title of the information collection proposal;

- (6) how frequently information submission will be required;
- (7) an estimate of the total number of hours needed to prepare the information submission including numbers of respondents, frequency of response, and hours of response;
- (8) whether the proposal is new or an extension, reinstatement, or revision of an information collection requirement; and
- (9) the names and telephone numbers of an agency official familiar with the proposal and of the OMB Desk Officer for the Department.

Authority: Section 3507 of the Paperwork Reduction Act, 44 U.S.C. 3507; Section 7(d) of the Department of Housing and Urban Development Act, 42 U.S.C. 3535(d).
