**SUPPLEMENTARY INFORMATION:** Section 201(b) of the JJDP Act provides that the Administrator "is authorized to prescribe regulations" in order to carry out the provisions included in Title II of the Act.

### Changes to Proposed Guideline

The following changes are made to the proposed guideline. New language is italicized. In the section titled "Eligible Applicants," the following sentence is added to the end of the paragraph: Although the State Agency designated by the Chief Executive of the State pursuant to Section 223(a)(1) of the JJDP Act must apply for Challenge activities, they may award subgrants and contracts to public and private agencies for the development and implementation of projects designed to carry out Challenge activities.

In the section titled "Application Components," at the end of Component #7, the following language is added: If the applicant State agency plans to subgrant or contract for services, a complete budget may not be available. In this instance only a budget narrative of anticipated general expenses is required.

In the section titled "Grant Period" the length of the grant award has been extended from 18 to 24 months from July 1, 1995.

### Background

Section 285 of Title II, Part E, of the Juvenile Justice and Delinquency Prevention Act (JJDP) of 1974, as amended (42 U.S.C. 5601, et seq.), states that "The Administrator may make a grant to a State that receives an allocation under section 222, in the amount of 10 percent of the amount of the allocation, for each challenge activity in which the State participates for the purpose of funding the activity."

Part E—State Challenge Activities is a new program authorized under the 1992 Amendments to the JJDP Act. In FY 1995, Part E received its first appropriation. The purpose of Part E is to provide incentives for States participating in the Formula Grants Program to develop, adopt, and improve policies and programs in one or more of ten specified Challenge Activities. As used in this Guideline, "State" is defined in Section 103(7) of the JJDP Act. "Formula Grant" refers to a grant to a State under Title II, Part B, of the JJDP Act.

The ten Challenge Activities are defined in Part E as follows:

(A) Developing and adopting policies and programs to provide basic health, mental health, and appropriate education services, including special education, for youth in the juvenile justice system as specified in standards developed by the National Advisory Committee for Juvenile Justice and Delinquency Prevention prior to October 12, 1984.

(B) Developing and adopting policies and programs to provide access to counsel for all juveniles in the justice system to ensure that juveniles consult with counsel before waiving the right to counsel.

(C) Increasing community-based alternatives to incarceration by establishing programs (such as expanded use of probation, mediation, restitution, community service, treatment, home detention, intensive supervision, and electronic monitoring) and developing and adopting a set of objective criteria for the appropriate placement of juveniles in detention and secure confinement.

(D) Developing and adopting policies and programs to provide secure settings for the placement of violent juvenile offenders by closing down traditional training schools and replacing them with secure settings with capacities of no more than 50 violent juvenile offenders with ratios of staff to youth great enough to ensure adequate supervision and treatment.

(E) Developing and adopting policies to prohibit gender bias in placement and treatment and establishing programs to ensure that female youth have access to the full range of health and mental health services, treatment for physical or sexual assault and abuse, self defense instruction, education in parenting, education in general, and other training and vocational services.

(F) Establishing and operating, either directly or by contract or arrangement with a public agency or other appropriate private nonprofit organization (other than an agency or organization that is responsible for licensing or certifying out-of-home care services for youth), a State ombudsman office for children, youth, and families to investigate and resolve complaints relating to action, inaction, or decisions of providers of out-of-home care to children and youth (including secure detention and correctional facilities, residential care facilities, public agencies, and social service agencies) that may adversely affect the health, safety, welfare, or rights of resident children and youth.

(G) Developing and adopting policies and programs designed to remove, where appropriate, status offenders from
