

[Docket No. GT95-36-000]**Algonquin Gas Transmission Company; Notice of Proposed Changes in FERC Gas Tariff**

May 5, 1995.

Take notice that on May 2, 1995, Algonquin Gas Transmission Company (Algonquin) tendered for filing as part of its FERC Gas Tariff, Fourth Revised Volume No. 1, the following tariff sheets:

Sixth Revised Sheet No. 1100
Sixth Revised Sheet No. 1101
Sixth Revised Sheet No. 1102
Sixth Revised Sheet No. 1103
Sixth Revised Sheet No. 1104
Sixth Revised Sheet No. 1105
Sixth Revised Sheet No. 1106
Sixth Revised Sheet No. 1107
Sixth Revised Sheet No. 1108
Fifth Revised Sheet No. 1109

The proposed effective date of the tariff sheets is June 1, 1995.

Algonquin states that the purpose of this filing is to reflect changes in Algonquin's index of purchasers.

Algonquin states that copies of this filing were served upon each affected party and interested state commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.W., Washington, D.C. 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules of Practice and Procedure. All such motions or protests should be filed on or before May 12, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

[Docket No. PR95-10-000]**Enogex, Inc.; Notice of Petition for Rate Approval**

May 5, 1995.

Take notice that on May 1, 1995, Enogex filed pursuant to Section 284.123(b)(2) of the Commission's Regulations, a petition for rate approval requesting that the Commission approve as fair and equitable a maximum rate of \$0.6760 per Mcf for transportation

services performed under Section 311(a)(2) of the Natural Gas Policy Act of 1978 (NGPA).

Enogex states that it is an intrastate pipeline within the meaning of Section 2(16) of the NGPA and it owns and operates an intrastate pipeline system in the State of Oklahoma. Enogex proposes an effective date of May 1, 1995.

Pursuant to Section 284.123(b)(2)(ii), if the Commission does not act within 150 days of the filing date, the rate will be deemed to be fair and equitable and not in excess of an amount which interstate pipelines would be permitted to charge for similar transportation service. The Commission may, prior to the expiration of the 150-day period, extend the time for action or institute a proceeding to afford parties an opportunity for written comments and for the oral presentation of views, data, and arguments.

Any person desiring to participate in this rate proceeding must file a motion to intervene in accordance with Sections 385.211 and 385.214 of the Commission's Rules of Practice and Procedures. All motions must be filed with the Secretary of the Commission on or before May 19, 1995. The petition for rate approval is on file with the Commission and is available for public inspection.

[Docket No. ER95-285-000]**Illinois Power Company; Notice of Filing**

May 5, 1995.

Take notice that on February 17, 1995, Illinois Power Company (Illinois) tendered for filing a clarification of the Addendum to its Coordination and Interchange Agreement with Illinois Municipal Electric Agency (IMEA). The clarification to the Addendum states that emission allowance revenues collected between January 1, 1995, and the date the Commission issues an order accepting Illinois' Addendum without hearing or investigation shall be subject to refund.

Any person desiring to be heard or to protest such filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street N.E., Washington, D.C. 20426, in accordance with the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such petitions and protests should be filed before May 15, 1995.

Protests will be considered by the Commission to determine the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.

[Docket No. RP95-272-000]**K N Interstate Gas Transmission Company; Notice of Proposed Changes in FERC Gas Tariff**

May 5, 1995

Take notice that on May 3, 1995, K N Interstate Gas Transmission Company (KNI) tendered for filing certain revised tariff sheets to its FERC Gas Tariff, Second Revised Volume No. 1-B and First Revised Volume No. 1-D. KNI

requests that the tendered sheets be accepted for filing and permitted to become effective on May 4, 1995.

KNI states that the purpose of its filing is to comply with the Commission's Final Rule (Order No. 577) issued March 29, 1995 at Docket No. RM95-5-000. In the instant filing, KNI submits tariff revisions to its general terms and conditions for service concerning short-term capacity releases that are exempt from advance posting and bidding requirements pursuant to § 284.243 of the Commission's Regulations. KNI's tariff revisions provide for the extension to one full calendar month the time period that capacity releases, at less than the maximum rate, are exempt from the Commission's advance posting bidding requirements. KNI's tariff revisions also provide for the reduced restriction period from 30 days to 28 days for a capacity re-release to the same pre-arranged shipper to be exempt from advance posting and bidding requirements.

KNI states that a copy of its filing was served on all KNI jurisdictional customers, interested parties and affected state regulatory commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests should be filed on or before May 12, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

[Docket No. CP95-359-000]

Natural Gas Pipeline Company of America; Notice of Application

May 5, 1995.

Take notice that on April 26, 1995, Natural Gas Pipeline Company of America (Natural), 701 East 22nd Street, Lombard, Illinois 60148, filed an application pursuant to Sections 7(b)

and 7(c) of the Natural Gas Act requesting authorization to abandon approximately 360 feet of 6-inch lateral and for a certificate of public convenience and necessity authorizing the construction and operation of approximately 800 feet of 6-inch replacement lateral at Natural's Columbia City storage complex in Louisa County, Iowa. The total estimated construction cost of the new lateral is \$58,000. Natural's application is on file with the Commission and open to public inspection.

The lateral for which Natural is requesting abandonment authorization was certificated in Docket No. CP72-217.¹ Natural states that the new lateral is necessary as part of a change from dehydration at a wellsite to a central dehydration facility.

Natural states that there will be no significant loss of environmental quality because of the proposed project. Natural states that on March 17, 1995, it requested the U.S. Fish and Wildlife Service Endangered Species Clearance and the State Historical Society of Iowa Cultural Resources Clearance. On March 22, 1995, it requested the U.S. Army Corps of Engineers Clearance. Natural states that the above clearance letters will be submitted upon receipt.

Any person desiring to be heard or to make protest with reference to said application should on or before May 26, 1995, file with the Federal Energy Regulatory Commission, Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214) and the regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party in any proceeding herein must file a motion to intervene in accordance with the Commission's rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Commission by sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that permission and approval for the

proposed abandonment are required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Natural to appear or to be represented at the hearing.
