

requests that the tendered sheets be accepted for filing and permitted to become effective on May 4, 1995.

KNI states that the purpose of its filing is to comply with the Commission's Final Rule (Order No. 577) issued March 29, 1995 at Docket No. RM95-5-000. In the instant filing, KNI submits tariff revisions to its general terms and conditions for service concerning short-term capacity releases that are exempt from advance posting and bidding requirements pursuant to § 284.243 of the Commission's Regulations. KNI's tariff revisions provide for the extension to one full calendar month the time period that capacity releases, at less than the maximum rate, are exempt from the Commission's advance posting bidding requirements. KNI's tariff revisions also provide for the reduced restriction period from 30 days to 28 days for a capacity re-release to the same pre-arranged shipper to be exempt from advance posting and bidding requirements.

KNI states that a copy of its filing was served on all KNI jurisdictional customers, interested parties and affected state regulatory commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests should be filed on or before May 12, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

**Natural Gas Pipeline Company of America; Notice of Application**

May 5, 1995.

Take notice that on April 26, 1995, Natural Gas Pipeline Company of America (Natural), 701 East 22nd Street, Lombard, Illinois 60148, filed an application pursuant to Sections 7(b)

and 7(c) of the Natural Gas Act requesting authorization to abandon approximately 360 feet of 6-inch lateral and for a certificate of public convenience and necessity authorizing the construction and operation of approximately 800 feet of 6-inch replacement lateral at Natural's Columbia City storage complex in Louisa County, Iowa. The total estimated construction cost of the new lateral is \$58,000. Natural's application is on file with the Commission and open to public inspection.

The lateral for which Natural is requesting abandonment authorization was certificated in Docket No. CP72-217.<sup>1</sup> Natural states that the new lateral is necessary as part of a change from dehydration at a wellsite to a central dehydration facility.

Natural states that there will be no significant loss of environmental quality because of the proposed project. Natural states that on March 17, 1995, it requested the U.S. Fish and Wildlife Service Endangered Species Clearance and the State Historical Society of Iowa Cultural Resources Clearance. On March 22, 1995, it requested the U.S. Army Corps of Engineers Clearance. Natural states that the above clearance letters will be submitted upon receipt.

Any person desiring to be heard or to make protest with reference to said application should on or before May 26, 1995, file with the Federal Energy Regulatory Commission, Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214) and the regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party in any proceeding herein must file a motion to intervene in accordance with the Commission's rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Commission by sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that permission and approval for the
