DEPARTMENT OF HEALTH AND HUMAN SERVICES

Agency for Toxic Substances and Disease Registry

[ATSDR-94]

Notice of Availability of Administrative Reports of Health Effects Studies

AGENCY: Agency for Toxic Substances and Disease Registry (ATSDR), Public Health Service (PHS), Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: This notice announces the availability of Administrative Reports of nine ATSDR health effects studies.

FOR FURTHER INFORMATION CONTACT: Jeffrey A. Lybarger, M.D., M.S., Director, Division of Health Studies, Agency for Toxic Substances and Disease Registry, 1600 Clifton Road, NE., Mailstop E-31, Atlanta, Georgia 30333, telephone (404) 639-6200.

SUPPLEMENTARY INFORMATION: Sections 104(i)(1), (7), (8), and (9) of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), as amended [42 U.S.C. 9604(i)(1), (7), (8), and (9)], provide the Administrator of ATSDR with the authority to conduct pilot studies, epidemiologic and other health studies, and to initiate health surveillance programs to determine the relationship between human exposure to hazardous

substances in the environment and adverse health outcomes.

On February 13, 1990, ATSDR published in the **Federal Register** [55 FR 5136] a final rule entitled, "Health Assessments and Health Effects Studies of Hazardous Substances Releases and Facilities." The primary purpose of that rule, which created a new regulation at 42 CFR Part 90, was to set forth general procedures that ATSDR will follow relating to certain agency activities, including the conduct of health effects studies. Section 90.11 of the regulation, which concerns the reporting of results of health assessments and health effects studies, provides that reports of health effects studies conducted under section 104(i) of CERCLA will be available to the general public upon request.

Availability

The reports of the health effects studies listed below are now available through the U.S. Department of Commerce, National Technical Information Service (NTIS), 5285 Port Royal Road, Springfield, Virginia 22151, telephone: 1-800-553-6847. There is a charge for these items as determined by NTIS.

Centers for Disease Control and Prevention

[Announcement 550]

Enhancing Partnerships With Private Sector Health Care Provider Organizations; Notice of Availability of Funds for Fiscal Year 1995

Introduction

The Centers for Disease Control and Prevention (CDC) announces the availability of fiscal year (FY) 1995 funds for cooperative agreements to enhance partnerships with private sector health care provider organizations and to promote the improvement of immunization coverage in primary care settings.

The Public Health Service (PHS) is committed to achieving the health promotion and disease prevention objectives of Healthy People 2000, a PHS-led national activity to reduce morbidity and mortality and improve the quality of life. This announcement is related to the priority areas of Immunization and Infectious Diseases. (To order a copy of Healthy People 2000, see the section **Where to Obtain Additional Information.**)

Authority

This program is authorized under the Public Health Service Act, Sections 301 [42 U.S.C. 241] and 317 [42 U.S.C. 247b], as amended.

Smoke-Free Workplace

PHS strongly encourages all grant recipients to provide a smoke-free workplace and to promote the nonuse of all tobacco products, and Public Law 103-227, the Pro-Children Act of 1994, prohibits smoking in certain facilities that receive Federal funds in which education, library, day care, health care, and early childhood development services are provided to children.

Eligible Applicants

Eligible applicants for this program are national private sector health care provider organizations and associations with an active membership of at least 2500 health care providers.

Availability of Funds

Approximately \$500,000 is available in FY 1995 to fund up to seven awards. The average award will range from \$75,000 to \$150,000. Awards will begin on or about September 1, 1995, and will be made for 12 month budget periods within a project period of up to 5 years. Funding estimates outlined above may vary and are subject to change. Continuation awards within the approved project period will be made on the basis of satisfactory progress, an acceptable application, and the availability of funds.

Purpose

The purpose of this cooperative agreement is:

1. To establish partnerships with national private provider organizations and associations to effectively utilize the combined resources of the public and private health care delivery systems.
2. To meet the immunization objectives established by the Secretary of the Department of Health and Human Services. Priority will be given to those activities likely to result in increased immunization levels among children 24 months of age and reduction/elimination of targeted vaccine-preventable diseases by 1996.

Program Requirements

In conducting activities to achieve the purpose of this program, the recipient will be responsible for the activities under A. (Recipient Activities), and CDC will be responsible for the activities listed under B. (CDC Activities).

A. Recipient Activities

1. Develop and Implement Immunization Initiatives: Recipients must develop and implement among their constituencies a plan to enhance the delivery of immunization services through implementing the —Standards for Pediatric Immunization Practices—, implementing provider self assessment activities, developing incentives for providers to improve coverage, implementing reminder/recall systems, and developing and implementing creative and innovative activities.
2. Develop an evaluation plan to monitor progress toward achieving their objectives.

B. CDC Activities

1. Provide technical assistance to plan, implement, and evaluate each component of the plan to enhance delivery of immunization services.
2. Assist in interpretation of current scientific literature related to methods to improve immunization coverage levels.
3. Provide assistance in the evaluation of each plan component (process and outcome) through the analysis and interpretation of coverage and other relevant data.

Evaluation Criteria

The application will be evaluated according to the following criteria:

- A. Background and Need: The extent to which the applicant understands the problem of underimmunization and proposes a plan to address the issues specific to their constituents. (20 points)
- B. Operational Plan: The feasibility and appropriateness of the applicant's operational plan to enhance immunization services delivery among constituencies through implementing the "Standards for Pediatric Immunization Practices", implementing provider self-assessment activities, developing incentives for providers to improve coverage, implementing reminder/recall systems, and developing and implementing creative and innovative activities. (45 points)
- C. Coordination with Public Sector Activities: The extent to which the applicant proposes to coordinate activities with State and local immunization programs and other appropriate agencies as evidenced by letters of support. (5 points)

- D. Capability: The extent to which the applicant appears likely to succeed in implementing proposed activities as measured by (1) Relevant past experiences; (2) feasible program objectives; (3) a realistic timetable for plan implementation; (4) a sound

management structure; and (5) the qualifications of staff, including the appropriateness of their proposed roles and responsibilities or job descriptions. (30 points)

E. Budget and Justification: The extent to which the proposed budget is adequately justified, reasonable, and consistent with this program announcement. (Not weighted)

Executive Order 12372

This program is not subject to the Intergovernmental Review of Federal Programs as governed by Executive Order 12372.

Public Health System Reporting Requirements

This program is not subject to the Public Health System Reporting Requirements.

Catalog of Federal Domestic Assistance Number

The Catalog of Federal Domestic Assistance Number is 93.268.

Other Requirements**Paperwork Reduction Act**

Projects that involve the collection of information from 10 or more individuals and funded by this announcement (#550) will be subject to review by the Office of Management and Budget (OMB) under the Paperwork Reduction Act.

Application Submission and Deadline

The original and two copies of the application PHS Form 5161-1, (OMB Number 0937- 0189) must be submitted to Henry S. Cassell, III, Grants Management Officer, Attn: Lisa Tamaroff, Grants Management Branch, Procurement and Grants Office, Centers for Disease Control and Prevention (CDC), 255 East Paces Ferry Road, NE., Mailstop E13, Atlanta, GA 30305, on or before July 10, 1995.

1. Deadline

Applications shall be considered as meeting the deadline if they are either:

- A. Received on or before the deadline date; or
- B. Sent on or before the deadline date and received in time for submission for the review process. Applicants should request a legibly dated U.S. Postal Service postmark or obtain a legibly dated receipt from a commercial carrier or U.S. Postal Service. Private metered postmarks shall not be acceptable proof of timely mailing.

2. Late Applications

Applications which do not meet the criteria in 1.A. or 1.B. above are

considered late applications. Late applications will not be considered in the current competition and will be returned to the applicant.
