

**Determination**

Based upon information contained in the Environmental Assessment/Habitat Conservation Plans, the Service has determined that these actions are not major Federal actions which would significantly affect the quality of the human environment with the meaning of section 102(2)(c) of the National Environmental Policy Act of 1969. Accordingly, the preparation of Environmental Impact Statements on the proposed action is not warranted.

It is my decision to issue the section 10(a)(1)(B) permits for the construction and operation of the single-family residences at the sites specified above in Travis County, Texas.
