Federal Wildland Fire Management Policy and Program Review

AGENCIES: Forest Service, USDA; Bureau of Land Management, National Park Service, Fish and Wildlife Service, Bureau of Indian Affairs, and National Biological Service, Interior.

ACTION: Notice; delay in publication of the draft report of the Federal Wildland Fire Management Policy and Program Review.

SUMMARY: The draft report of the Federal Wildland Fire Management Policy and Program Review, which was previously scheduled to be available for public review on April 24, is now planned for publication on June 9, 1995. The added time will allow further consideration of information supplied by the public during the scoping process.

DATES: The public will have 30 days from the date of publication of the draft report in which to comment.

FOR FURTHER INFORMATION CONTACT: Tim Hartzell, Bureau of Land Management, phone (202) 208-5472; or John Chambers, USDA-Forest Service, phone (202) 205-1505.

SUPPLEMENTARY INFORMATION: Because of the wide scope of comments received in the initial stages of this review and because of the Interagency Steering Group's desire to involve key constituents in the development of the draft report, it has been determined to be in the best interests of all parties to delay publication of the report until approximately June 9. This will allow additional time for the core team and Steering Group to incorporate important points brought forward during public participation.

Once the draft report is published, the public will have 30 days to comment. The final report is expected to be forwarded to the Secretaries of Agriculture and the Interior on or about September 30, 1995.

Claudia Schechter,

Co-Chair, Steering Group, USDI.
