(1) Judicial Recommendations Against Deportation; Controlled Substance Violations.

(2) Form: None. Immigration and Naturalization Service, United States Department of Justice.

(3) Primary: Individual or households. Other: None. A motion for a judicial recommendation against deportation is made by an alien convicted of a crime involving moral turpitude per 8 United States Code 1251 (b) and 8 Code of Federal Regulations 241.1. If the motion is granted, the crime cannot be used as a basis for deporting the alien per 8 United States Code 1251(a)(4). The motion is placed in the alien's Immigration and Naturalization Service file. Due to manpower shortages, the INS frequently does not send a representative to court. However, the INS needs to know the disposition of the motion made by the alien to the sentencing court. Requiring the alien to send a certified copy of the court docket entry granting or denying the motion will satisfy the INS' need to know the disposition of the case. This will aid in not placing unnecessary detainer on alien criminals and will help ensure that deportation proceedings will not be commenced in error.

(4) 3,000 annual respondents at .25 hours per response.

(5) 750 annual burden hours.

(6) Not applicable under section 3504(h) of Public Law 96-511.

Public comment on this item is encouraged.
