

Treasury securities of comparable maturities (subject to straight line interpolation when there is no comparable U.S. Treasury security), plus 400 basis points, and no Debt Securities would be issued for a term of greater than thirty years. Any notes issued by Entergy SASI to Enterprises may, at the option of Enterprises, be converted to capital contributions to Entergy SASI by the forgiveness of the underlying debt.

The amended proposal differs from the Initial Proposal in two material respects. First, under the new proposal, Entergy SASI would not be subject to the 50% Revenue Restriction, while engaging in its original energy management business beyond its Base Region. Secondly, instead of \$100 million, Entergy SASI could issue Debt Securities and Entergy could make additional investments in Entergy SASI, through Enterprises, in the form of equity investments and/or loans of up to an aggregate amount of \$150 million, through December 31, 1997.

Granite State Electric Company ("Granite"), 407 Miracle Mile, Suite 1, Lebanon, New Hampshire, an electric utility subsidiary company of New England Electric System, a registered holding company, has filed a declaration under Section 6(a) and 7 of the Act and Rule 54 thereunder.

Granite proposes to issue and sell, on or before December 31, 1995, one or more long-term notes in an aggregate principal amount not to exceed \$5 million ("Note"). Each Note would be issued pursuant to a note agreement ("Note Agreement"), the specific terms of which will be negotiated with a purchaser. Granite expects that each Note will have a maturity date not to exceed 30 years and will bear interest at a fixed rate not to exceed 11%. The Note Agreement may provide for a sinking fund and limitations on callability or refundability, depending on market conditions. Granite proposes that the Notes will be redeemable at any time at its option, upon reasonable notice, at the then outstanding principal amount plus accrued interest and redemption premium, and may include a yield to maturity premium. Granite may elect not to include a dividend limitation for the Notes.

The proceeds from the issuance and sale of the Notes will be applied by Granite to the payment of short-term borrowings, or to the cost of, or the reimbursement of the treasury for, the retirement of outstanding notes, capital additions and improvements to the

plant and property of Granite, or other capital expenditures.

Issuer Delisting; Notice of Application To Withdraw From Listing and Registration; (Southern Union Company, Common Stock, \$1.00 Par Value)

May 5, 1995.

The Southern Union Company ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified security ("Security") from listing and registration on the American Stock Exchange, Inc. ("Amex").

The reasons alleged in the application for withdrawing the Security from listing and registration include the following:

According to the Company, in addition to being listed on the Amex, the Security is listed on the New York Stock Exchange, Inc. ("NYSE"). The Security commenced trading on the NYSE at the opening of business on February 27, 1995, and concurrently therewith the Security was suspended from trading on the Amex.

According to the Company, its Board of Directors determined that listing on the NYSE would benefit both the Company, its shareholders and its utility customers by broadening the potential investment audience and providing greater liquidity for the Security.

In making the decision to withdraw the Security from listing on the Amex, the Company considered the direct and indirect costs and expenses attendant in maintaining the dual listing of the Security on the NYSE and on the Amex. The Company does not see any particular advantage in the dual trading of the Security and believes that dual listing would fragment the market.

Any interested person may, on or before May 26, 1995, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549, facts bearing upon whether the application has been made in accordance with the

rules of the exchanges and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Jonathan G. Katz,

Secretary.
