### [FEMA-1048-DR]

### Oklahoma; Amendment to Notice of a Major Disaster Declaration

**AGENCY:** Federal Emergency Management Agency (FEMA).

**ACTION:** Notice.

**SUMMARY:** This notice amends the notice of a major disaster for the State of Oklahoma, (FEMA-1048-DR), dated April 26, 1995, and related determinations.

**EFFECTIVE DATES:** May 5, 1995.

**FOR FURTHER INFORMATION CONTACT:** Pauline C. Campbell, Response and Recovery Directorate, Federal Emergency Management Agency, Washington, DC 20472, (202) 646-3606.

**SUPPLEMENTARY INFORMATION:** Notice is hereby given that, in a letter dated May 5, 1995, the President amended the declaration to include Public Assistance and to reflect the cost-sharing arrangements concerning Federal funds provided for emergency work and debris removal under the authority of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 *et seq.*), in a letter to James L. Witt, Director of the Federal Emergency Management Agency, as follows:

I have determined that the damage resulting from the explosion at the Alfred P. Murrah Federal Building in Oklahoma City, on April 19, 1995, in the State of Oklahoma is of sufficient severity and magnitude that special conditions are warranted regarding the provision of assistance provided under the Robert T. Stafford Disaster Relief and Emergency Assistance Act (the Stafford Act).

Therefore, I amend my previous major disaster declaration of April 26 to authorize the addition of the Public Assistance program.

On this date, with the addition of Public Assistance to the major disaster declaration, my emergency declaration of April 19 is closed. All future operations and funding associated with the explosion are

consolidated under the major disaster declaration.

Federal funding for debris removal to eliminate immediate threats to public health and safety, emergency protective measures to save lives and protect public health and safety, shall remain at 100 percent Federal funding, as I previously authorized under Section 501(b) of the Stafford Act and my declaration of April 19.

The Federal share for reimbursement for permanent Public Assistance work including the repair and reconstruction of uninsured public and private non-profit facilities and hazard mitigation is limited to 75 percent of total eligible and reasonable costs.

Temporary housing assistance, mortgage/rental assistance, crises counseling assistance and disaster unemployment assistance will continue to be 100 percent Federally funded. The law specifically prohibits a similar waiver for funds provided to States for the Individual and Family Grant program. These funds will continue to be reimbursed at 75 percent of total eligible costs.

This amended declaration is consistent with the request made by the Governor of the State of Oklahoma.

Please notify the Governor of the State of Oklahoma and the Federal Coordinating Officer of this amendment to my major disaster declaration.

I do hereby determine the following area of the State of Oklahoma to have been affected adversely by this declared major disaster:

The City of Oklahoma City for Public Assistance.

(Catalog of Federal Domestic Assistance No. 83.516, Disaster Assistance)

Dated: May 9, 1995.

## FEDERAL MARITIME COMMISSION

### Cancellation of Tariffs of Common Carriers by Water in the Foreign Commerce of the United States for Failure to File Anti-Rebate Certifications

The Federal Maritime Commission's regulations at 46 CFR 582.1(a) and 582.3(a) require every common carrier by water and licensed ocean freight forwarder in the foreign commerce of the United States to file an Anti-Rebate Certification ("ARC") with the Commission no later than December 31 of each even-numbered year.

By certified letter dated February 21, 1995, the Commission wrote to certain common carriers and/or licensed ocean freight forwarders who had failed to file the ARC due in December 1994. In that letter, and in a notice published in the **Federal Register** on February 28, 1995,

the Commission advised that, if within 45 days of the certified letter's date, they had not either filed an ARC or established that it had been filed, the tariffs of the common carriers would be cancelled in accordance with 46 CFR 514.1(c)(1)(iii)(C) and/or the licenses of the ocean freight forwarders would be suspended in accordance with 46 CFR 510.16(a)(6).

There were 640 common carriers and/or licensed ocean freight forwarders listed in the February 28th Notice published in the **Federal Register**. Four hundred seventy four (474) of these carriers/forwarders filed the required ARC or demonstrated that it had been previously filed. Accordingly, these parties have satisfied the filing requirement, thus their tariffs will not be cancelled nor will their licenses be suspended. (These parties are listed in Attachment B.) <sup>1</sup>The remaining parties, all of whom are common carriers, either did not respond by filing an ARC or if they did respond indicated that they are no longer common carriers in the foreign commerce of the United States.

Notice is hereby given that the foreign tariffs for the common carriers listed in Attachment A are cancelled effective the date of publication of this notice in the **Federal Register**. These firms were notified of this action by certified mail, return receipt requested on May 16, 1995. Notice is further given that the common carriers and licensed ocean freight forwarders listed in Attachment B have either filed ARC's, cancelled their foreign tariffs or have had their ocean freight forwarder licenses revoked.

Therefore it is ordered that the tariffs of the carriers listed in Attachment A are cancelled.
