### [FEMA-1048-DR]

### Oklahoma; Amendment to Notice of a Major Disaster Declaration

**AGENCY:** Federal Emergency Management Agency (FEMA).

**ACTION:** Notice.

**SUMMARY:** This notice amends the notice of a major disaster for the State of Oklahoma, (FEMA-1048-DR), dated April 26, 1995, and related determinations.

**EFFECTIVE DATES:** May 5, 1995.

**FOR FURTHER INFORMATION CONTACT:** Pauline C. Campbell, Response and Recovery Directorate, Federal Emergency Management Agency, Washington, DC 20472, (202) 646-3606.

**SUPPLEMENTARY INFORMATION:** Notice is hereby given that, in a letter dated May 5, 1995, the President amended the declaration to include Public Assistance and to reflect the cost-sharing arrangements concerning Federal funds provided for emergency work and debris removal under the authority of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 *et seq.*), in a letter to James L. Witt, Director of the Federal Emergency Management Agency, as follows:

I have determined that the damage resulting from the explosion at the Alfred P. Murrah Federal Building in Oklahoma City, on April 19, 1995, in the State of Oklahoma is of sufficient severity and magnitude that special conditions are warranted regarding the provision of assistance provided under the Robert T. Stafford Disaster Relief and Emergency Assistance Act (the Stafford Act).

Therefore, I amend my previous major disaster declaration of April 26 to authorize the addition of the Public Assistance program.

On this date, with the addition of Public Assistance to the major disaster declaration, my emergency declaration of April 19 is closed. All future operations and funding associated with the explosion are

consolidated under the major disaster declaration.

Federal funding for debris removal to eliminate immediate threats to public health and safety, emergency protective measures to save lives and protect public health and safety, shall remain at 100 percent Federal funding, as I previously authorized under Section 501(b) of the Stafford Act and my declaration of April 19.

The Federal share for reimbursement for permanent Public Assistance work including the repair and reconstruction of uninsured public and private non-profit facilities and hazard mitigation is limited to 75 percent of total eligible and reasonable costs.

Temporary housing assistance, mortgage/rental assistance, crises counseling assistance and disaster unemployment assistance will continue to be 100 percent Federally funded. The law specifically prohibits a similar waiver for funds provided to States for the Individual and Family Grant program. These funds will continue to be reimbursed at 75 percent of total eligible costs.

This amended declaration is consistent with the request made by the Governor of the State of Oklahoma.

Please notify the Governor of the State of Oklahoma and the Federal Coordinating Officer of this amendment to my major disaster declaration.

I do hereby determine the following area of the State of Oklahoma to have been affected adversely by this declared major disaster:

The City of Oklahoma City for Public Assistance.

(Catalog of Federal Domestic Assistance No. 83.516, Disaster Assistance)

Dated: May 9, 1995.
