BILLING CODE 3810-FF-F

DEPARTMENT OF EDUCATION

Intent To Repay to the Oregon Department of Education Funds Recovered as a Result of a Final Audit Determination

AGENCY: Department of Education.

ACTION: Notice of intent to award grantback funds.

SUMMARY: Notice is given that under section 459 of the General Education Provisions Act (GEPA), 20 U.S.C. 1234h, the U.S. Secretary of Education (Secretary) intends to repay to the Oregon Department of Education, the State educational agency (SEA), an amount nearly equal to 75 percent of the principal amount of funds recovered by the U.S. Department of Education (Department) as a result of a final audit determination. This notice describes the SEA's plan for the use of the repaid funds and the terms and conditions under which the Secretary intends to make those funds available. The notice

invites comments on the proposed grantback.

DATES: All comments must be received on or before June 15, 1995.

ADDRESSES: Comments concerning the grantback should be addressed to William D. Tyrrell, Sr., U.S. Department of Education, 600 Independence Avenue, SW., room 3609, Switzer Building, Washington, DC 20202-6132.

FOR FURTHER INFORMATION CONTACT: William D. Tyrrell, Sr., U.S. Department of Education, 600 Independence Avenue, SW, room 3609, Switzer Building, Washington, DC 20202-6132, telephone: (202) 205-8825. Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 between 8 a.m. and 8 p.m., Eastern time, Monday through Friday.

SUPPLEMENTARY INFORMATION:

A. Background

This notice is based on the Department's recovery of funds following an independent audit of the Klamath County School District (LEA) for the school year 1989-90. The SEA reviewed the audit and, on August 24, 1992, requested a refund of \$23,760.91 of Chapter 1 Handicapped funds. The LEA returned these Federal funds to the SEA on September 1, 1992. On September 15, 1992, the SEA returned the Chapter 1 Handicapped funds, as well as \$42,634.31 of funds from other Federal programs that are not part of this grantback notice, to the U.S. Department of Education. The audit questioned the LEA's use of \$23,760.91 of Chapter 1 Handicapped funds to pay 91% and 50% of the salaries and fringe benefits of two employees. These charges were not supported by time distribution records as required by Federal regulations.

B. Authority for Awarding a Grantback

Section 459(a) of GEPA, 20 U.S.C. 1234h(a), provides that whenever the Secretary has recovered program funds following a final audit determination, the Secretary may consider those funds to be additional funds available for the program and may arrange to repay to the SEA or LEA affected by that determination an amount not to exceed 75 percent of the recovered funds. The Secretary may enter into this grantback arrangement if the Secretary determines that the—

(1) Practices or procedures of the SEA or LEA that resulted in the audit determination have been corrected, and the SEA or LEA is, in all other respects,

in compliance with the requirements of the applicable program;

(2) SEA has submitted to the Secretary a plan for the use of the funds to be awarded under the grantback arrangement that meets the requirements of the program and, to the extent possible, benefits the population that was affected by the failure to comply or by the misexpenditures that resulted in the audit exception; and

(3) Use of funds to be awarded under the grantback arrangement in accordance with the SEA's plan would serve to achieve the purposes of the program under which the funds were originally granted.

C. Plan for Use of Funds Awarded Under a Grantback Arrangement

Pursuant to section 459(a)(2) of GEPA, the SEA has applied for a grantback totaling \$17,820, which is slightly less than 75 percent of the principal amount recovered by the Department, and has submitted a plan on behalf of the LEA for use of the grantback funds to meet the special education needs of children with disabilities. Under section 459(c) of GEPA, 20 U.S.C. 1234h(c), these funds are available for expenditure until September 30, 1995. According to the plan, the LEA will use grantback funds to supplement its current program of providing instructional assistants assigned to eligible students in either one-on-one or small groups. This allows many students more opportunities for further participation with their non-disabled peers. The LEA already supplements the related services for the students in the areas of counseling, speech, occupational and physical therapy. The grantback funds will provide for the acquisition of augmentative communication devices, adaptive equipment, and materials to allow these children enhanced opportunities to participate with their non-disabled peers to the maximum extent appropriate.

D. The Secretary's Determinations

The Secretary has carefully reviewed the plan submitted by the SEA. Based upon that review, the Secretary has determined that the conditions under section 459 of GEPA have been met.

These determinations are based upon the best information available to the Secretary at the present time. If this information is not accurate or complete, the Secretary may take appropriate administrative action. In finding that the conditions of section 459 of GEPA have been met, the Secretary makes no determination concerning any pending audit recommendations or final audit determinations.

E. Notice of the Secretary's Intent To Enter Into a Grantback Arrangement

Section 459(d) of GEPA requires that, at least 30 days before entering into an arrangement to award funds under a grantback, the Secretary must publish in the **Federal Register** a notice of intent to do so, and the terms and conditions under which the payment will be made.

In accordance with section 459(d) of GEPA, notice is hereby given that the Secretary intends to make funds available to the SEA under a grantback arrangement. The grantback award would be in the amount of \$17,820.

F. Terms and Conditions Under Which Payments Under a Grantback Arrangement Would Be Made

The SEA and LEA agree to comply with the following terms and conditions under which payments under a grantback arrangement would be made:

(1) The funds awarded under the grantback must be spent in accordance with—

(a) All applicable statutory and regulatory requirements;

(b) The plan that the SEA submitted and any amendments to that plan that are approved in advance by the Secretary; and

(c) The budget that was submitted with the plan and any amendments to the budget that are approved in advance by the Secretary.

(2) All funds received under the grantback arrangement must be obligated by September 30, 1995, in accordance with section 459(c) of GEPA;

(3) The SEA, on behalf of the LEA, will, not later than December 31, 1995, submit a report to the Secretary that—

(a) Indicates that the funds awarded under the grantback have been spent in accordance with the proposed plan and approved budget; and

(b) Describes the results and effectiveness of the project for which the funds were spent.

(4) Separate accounting records must be maintained documenting the expenditures of funds awarded under the grantback arrangement.
