Issuer Delisting; Notice of Application To Withdraw From Listing and Registration; (Fedders Corporation, Common Stock, \$1.00 Par Value)

May 10, 1995.

Fedders Corporation ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified security ("Security") from listing and registration on the Philadelphia Stock Exchange, Inc. ("Phlx").

The reasons alleged in the application for withdrawing the Security from listing and registration include the following:

The Company desires to remove the listing of the Security from the Phlx because its Security and its Class A Stock are listed on the New York Stock Exchange, Inc. ("NYSE"), and now that certain debentures of the Company's subsidiary, RTXX Corporation (formerly Rotorex Corporation) that were listed on the Phlx have been redeemed and paid in full, there is no longer any need or advantage to the Company to continue listing the Security on the Phlx.

Any interested person may, on or before June 1, 1995, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549, facts bearing upon whether the application has been made in accordance with the rules of the exchange and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Jonathan G. Katz,*Secretary.*

and Exchange Commission ("Commission"), pursuant to section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified security ("Security") from listing and registration on the American Stock Exchange, Inc. ("Amex").

The reasons alleged in the application for withdrawing the Security from listing and registration include the following:

The Company has been listed from trading on the Amex since April 29, 1993. According to the Company, the Security commenced trading on the Nasdaq/NMS on May 2, 1995;

Maintaining dual listing on the Amex and NASDAQ/NMS is not feasible;

Nasdaq/NMS listing provides superior electronic network giving global visibility to the Security;

Average security in Nasdaq/NMS has eleven market makers which would enable the Company to expand capital base available for purchases of the Security; and

Increased market makers and superior information system may improve the Security liquidity and provide the company's investors with important advantages over system used by national exchanges such as the Amex.

Any interested person may, on or before June 1, 1995 submit by letter to the Security of the Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549, facts bearing upon whether the application has been made in accordance with the rules of the exchanges and what terms, if any, should be imposed by the Commission for the protection of investors.
