### Extension of the Use of Payor Numbers to Matters Involving Pending Patent Applications

**AGENCY:** Patent and Trademark Office, Commerce.

**ACTION:** Notice; request for comments.

**SUMMARY:** The Patent and Trademark Office (PTO) requests written public comment on the advisability of the extension of the use of Payor Numbers to matters involving pending patent applications. Payor Numbers are currently used with respect to establishing a "fee address" for receipt of maintenance fee correspondence. The PTO is considering extending the Payor Number practice to matters involving pending patent applications. The use of such Payor Numbers would permit an attorney, agent or law firm to file a single paper containing a change of address, rather than a separate paper for each patent application affected by the change of address. The change of address in multiple patent applications through a single paper directed to the Payor Number would result in savings to both the attorney, agent or law firm and the PTO.
