

ACTION: Correction to notice of proposed settlement.

SUMMARY: In the document beginning on page 21210 in the issue of May 1, 1995, the Environmental Protection Agency (EPA) gave notice of a proposed settlement under Section 122(h) of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) with potentially responsible parties relating to the Tennessee Gas Pipeline Company (erroneously named "Tennessee Gas and Pipeline" in the notice document) sites located along the Gulf Coast of Texas, Louisiana, and Mississippi and extending along three routes to markets in the midwestern and northeastern United States (Site). That notice is hereby corrected to clarify the scope of matters in that proposed settlement on which EPA will consider public comments, as required under CERCLA Section 122(i). EPA has offered to settle with potentially responsible parties with respect to their liability under CERCLA for response costs related to the Site and incurred and paid by the United States, and will consider public comments for (30) days exclusively on that cost recovery component of the proposed settlement. EPA may withdraw from or modify the cost recovery component of the proposed settlement should such comments disclose facts or considerations which indicate that the cost recovery component is inappropriate, improper, or inadequate. Copies of the proposed settlement are available from: Ms. Paula V. Batchelor, Waste Management Division, U.S. EPA, Region IV, 345 Courtland Street, NE., Atlanta, Georgia 30365, 404/347-5059 x6169.

Written comments may be submitted to Ms. Batchelor within 30 days of publication of this correction.

Dated: May 4, 1995.

H. Kirk Lucius,

Chief, Waste Programs Branch, Waste Management Division.
