

ACTION: Correction to notice of proposed settlement.

SUMMARY: In the document beginning on page 21210 in the issue of May 1, 1995, the Environmental Protection Agency (EPA) gave notice of a proposed settlement under Section 122(h) of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) with potentially responsible parties relating to the Tennessee Gas Pipeline Company (erroneously named "Tennessee Gas and Pipeline" in the notice document) sites located along the Gulf Coast of Texas, Louisiana, and Mississippi and extending along three routes to markets in the midwestern and northeastern United States (Site). That notice is hereby corrected to clarify the scope of matters in that proposed settlement on which EPA will consider public comments, as required under CERCLA Section 122(i). EPA has offered to settle with potentially responsible parties with respect to their liability under CERCLA for response costs related to the Site and incurred and paid by the United States, and will consider public comments for (30) days exclusively on that cost recovery component of the proposed settlement. EPA may withdraw from or modify the cost recovery component of the proposed settlement should such comments disclose facts or considerations which indicate that the cost recovery component is inappropriate, improper, or inadequate. Copies of the proposed settlement are available from: Ms. Paula V. Batchelor, Waste Management Division, U.S. EPA, Region IV, 345 Courtland Street, NE., Atlanta, Georgia 30365, 404/347-5059 x6169.

Written comments may be submitted to Ms. Batchelor within 30 days of publication of this correction.

Dated: May 4, 1995.

H. Kirk Lucius,

Chief, Waste Programs Branch, Waste Management Division.

FEDERAL RESERVE SYSTEM

Allied Irish Banks, p.l.c.; Notice to Engage in Nonbanking Activities

This notice corrects a notice (FR Doc. 95-6868) published on page 14,942 of the issue for Tuesday, March 21, 1995. The entry for Allied Irish Banks, p.l.c., Dublin, Ireland (Allied), is revised to include providing, through AIB Investment Managers Limited, Dublin, Ireland (Company), discretionary portfolio management services by purchasing and selling foreign exchange, foreign exchange-related instruments, and certain futures and

options on futures on financial commodities for customer accounts. Company would conduct the proposed activities throughout the world.

Allied states that Company would not trade for its own account, but only for the accounts of customers, and would only provide the proposed services to institutional customers, as defined in § 225.2(g) of the Board's Regulation Y. Allied maintains that the Board previously has determined by regulation that providing foreign exchange-related discretionary portfolio management services is closely related to banking. 12 CFR 225.25(b)(17). Allied has stated that Company's foreign exchange-related advisory activities would comply with the limitations contained in § 225.25(b)(17) of the Board's Regulation Y. Allied also maintains that the Board previously has determined that providing discretionary portfolio management services in connection with the purchase and sale of futures and options on futures on financial commodities is closely related to banking. *See Banque Nationale de Paris*, 81 Federal Reserve Bulletin 386 (1995) (BNP). Allied has stated that unlike the proposal approved by the Board in BNP, Company would purchase and sell over-the-counter instruments on behalf of managed accounts. In order to address potential conflicts of interest and other potential adverse effects, Allied has committed that Company would observe the standards of care and conduct applicable to fiduciaries.

Any comments or requests for hearing should be submitted in writing and received by William W. Wiles, Secretary, Board of Governors of the Federal Reserve System, Washington, D.C. 20551, not later than June 22, 1995. Any request for a hearing on this notice must, as required by § 262.3(e) of the Board's Rules of Procedure (12 CFR 262.3(e)), be accompanied by a statement of the reasons why a written presentation would not suffice in lieu of a hearing, identifying specifically any questions of fact that are in dispute, summarizing the evidence that would be presented at a hearing, and indicating how the party commenting would be aggrieved by approval of the proposal.

This notice may be inspected at the offices of the Board of Governors or the Federal Reserve Bank of Richmond.

Board of Governors of the Federal Reserve System, May 15, 1995.

Jennifer J. Johnson,

Deputy Secretary of the Board.
