Call for Nominations on Resource Advisory Councils

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The purpose of this notice is to solicit nominations from the public for Bureau of Land Management (BLM) Resource Advisory Councils. These councils provide advice and recommendations to BLM on management of the public lands.

The Federal Land Policy and Management Act (FLPMA) directs the Secretary of the Interior to involve the public in planning and issues related to management of lands administered by BLM. Section 309 of FLPMA directs the Secretary to select 10 to 15 member citizen-based advisory councils that are established and authorized consistent with the requirements of the Federal Advisory Committee Act (FACA). As required by the FACA, Resource Advisory Council members appointed to the council will reflect a balanced membership representative of the various interests concerned with the management of the public lands and users of the public lands. These include:

- Holders of federal grazing permits, representatives of energy and mining development, timber industry, off-road vehicle use and developed recreation;
- Representatives of environmental and resource conservation organizations, archeological and historic interests, and wild horse and burro groups;
- Representatives of State and local government, Native American tribes, academicians involved in natural sciences, and the public at large.

Individuals may nominate themselves or others. Nominees must be residents of the State or States in which the council has jurisdiction. Nominees will be evaluated based on their education, training, and experience of the issues and knowledge of the geographical area of the Council. Nominees should have demonstrated a commitment to collaborative resource decisionmaking. At least one member of each Resource Advisory Council must be an elected official of general purpose government serving the people within the geographic area for which an advisory council is established. All nominations must be accompanied by letters of reference from represented interests or organizations, a completed background information nomination form, as well as any other information that speaks to the nominee's qualifications.

Resource Advisory Councils will forward advice on public land planning and management issues to the BLM.

BLM State offices will issue press releases providing additional instructions for nominations such as the number and type of councils per State. Nominations for Resource Advisory Councils should be sent to the External Affairs Offices of the appropriate BLM State Offices listed below.
