Williams Natural Gas Company; Notice of Proposed Changes in FERC Gas Tariff

May 17, 1995.

Take notice that on May 12, 1995, William Natural Gas Company (WNG) tendered for filing as part of its FERC Gas Tariff, Second Revised Sheet No. 11, Second Substitute First Revised Sheet No. 12. The proposed effective date of this tariff sheet is November 5, 1994.

WNG states that this filing is being made in compliance with Commission order issued May 2, 1995 in Docket No. RP95-3. WNG was directed by the order to file, within 30 days of the issuance of the order, actual tariff sheets reflecting the \$35 million direct bill that eliminates the small municipal customers identified in WNG's Small Customer Settlement filed October 5, 1994, in Docket No. RP95-3-001.

WNG states that a copy of its filing was served on all jurisdictional customers and interested state commissions.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, NE., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests should be filed on or before May 24, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

[Docket No. RP95-296-000]

Williams Natural Gas Co.; Notice of Proposed Changes in FERC Gas Tariff

May 17, 1995.

Take notice that on May 12, 1995, Williams Natural Gas Company (WNG) tendered for filing as part of its FERC

Gas Tariff, Second Revised Volume No. 1, First Revised Sheet No. 253. The proposed effective date of this tariff sheet is June 15, 1995.

WNG states that the purpose of the instant filing is to amend Article 14 of the General Terms and Conditions of WNG's FERC Gas Tariff to provide for the extension of WNG's pricing differential mechanism (PDM) until October 1, 1997. The Commission has previously held that PDMs will continue for two years from the effective date of Order No. 636 restructuring. While WNG's FERC Gas Tariff does not explicitly so provide, WNG's PDM would expire on October 1, 1995.

WNG states that a copy of its filing was served on all jurisdictional customers and interested state commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, NE., Washington, DC 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests should be filed on or before May 24, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
