FEDERAL EMERGENCY MANAGEMENT AGENCY

44 CFR Part 64

[Docket No. FEMA-7617]

List of Communities Eligible for the Sale of Flood Insurance

AGENCY: Federal Emergency Management Agency (FEMA).

ACTION: Final rule.

SUMMARY: This rule identifies communities participating in the National Flood Insurance Program (NFIP). These communities have applied to the program and have agreed

to enact certain floodplain management measures. The communities' participation in the program authorizes the sale of flood insurance to owners of property located in the communities listed.

EFFECTIVE DATES: The dates listed in the third column of the table.

ADDRESSES: Flood insurance policies for property located in the communities listed can be obtained from any licensed property insurance agent or broker serving the eligible community, or from the NFIP at: Post Office Box 6464, Rockville, MD 20849, (800) 638-6620.

FOR FURTHER INFORMATION CONTACT: Robert F. Shea, Jr., Division Director, Program Implementation Division, Mitigation Directorate, 500 C Street, SW., room 417, Washington, DC 20472, (202) 646-3619.

SUPPLEMENTARY INFORMATION: The NFIP enables property owners to purchase flood insurance which is generally not otherwise available. In return, communities agree to adopt and administer local floodplain management measures aimed at protecting lives and new construction from future flooding. Since the communities on the attached list have recently entered the NFIP, subsidized flood insurance is now available for property in the community.

In addition, the Director of the Federal Emergency Management Agency has identified the special flood hazard areas in some of these communities by publishing a Flood Hazard Boundary Map (FHBM) or Flood Insurance Rate Map (FIRM). The date of the flood map, if one has been published, is indicated in the fourth column of the table. In the communities listed where a flood map has been published, Section 102 of the Flood Disaster Protection Act of 1973, as amended, 42 U.S.C. 4012(a), requires the purchase of flood insurance as a condition of Federal or federally related financial assistance for acquisition or construction of buildings in the special flood hazard areas shown on the map.

The Director finds that the delayed effective dates would be contrary to the public interest. The Director also finds that notice and public procedure under 5 U.S.C. 553(b) are impracticable and unnecessary.

National Environmental Policy Act

This rule is categorically excluded from the requirements of 44 CFR part 10, Environmental Considerations. No environmental impact assessment has been prepared.

Regulatory Flexibility Act

The Associate Director certifies that this rule will not have a significant

economic impact on a substantial number of small entities in accordance with the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*, because the rule creates no additional burden, but lists those communities eligible for the sale of flood insurance.

Regulatory Classification

This final rule is not a significant regulatory action under the criteria of section 3(f) of Executive Order 12866 of September 30, 1993, Regulatory Planning and Review, 58 FR 51735.

Paperwork Reduction Act

This rule does not involve any collection of information for purposes of

the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.*

Executive Order 12612, Federalism

This rule involves no policies that have federalism implications under Executive Order 12612, Federalism, October 26, 1987, 3 CFR, 1987 Comp., p. 252.

Executive Order 12778, Civil Justice Reform

This rule meets the applicable standards of section 2(b)(2) of Executive Order 12778, October 25, 1991, 56 FR 55195, 3 CFR, 1991 Comp., p. 309.

FEDERAL MARITIME COMMISSION

46 CFR Parts 501, 502, 503, 504, 514, 515, 550, 552, 560, 572, 580, 581, 582, and 583

[Docket No. 95-01]

Filing of Tariffs by Marine Terminal Operators, Publishing, Filing and Posting of Tariffs in Domestic Offshore Commerce; Publishing and Filing of Tariffs by Common Carriers in the Foreign Commerce of the United States; Service Contracts

AGENCY: Federal Maritime Commission.

ACTION: Final rule.

SUMMARY: The Federal Maritime Commission ("Commission") is removing its rules relating to Filing of Tariffs by Marine Terminal Operators; Publishing, Filing and Posting of Tariffs in Domestic Offshore Commerce; Publishing and Filing of Tariffs by Common Carriers in the Foreign Commerce of the United States; and Service Contracts. These regulations contain the guidelines, standards, and procedures for marine terminal operators ("MTO's") and common carriers by water to file and publish their tariffs and/or service contract essential terms with the Commission in paper format. With the full scale implementation of the Commission's Automated Tariff Filing and Information System ("ATFI"), which now requires tariffs and service contracts to be filed electronically, these regulations are no longer necessary. The Commission is also amending various other regulations to delete references to removed regulations and add replacement citations.

EFFECTIVE DATE: May 23, 1995.

FOR FURTHER INFORMATION CONTACT:

Bryant L. VanBrakle, Director, Bureau of Tariffs, Certification and Licensing, Federal Maritime Commission, Washington, D.C. 20573, (202) 523-5796.

SUPPLEMENTARY INFORMATION: The Federal Maritime Commission initiated this proceeding by publishing a Notice of Proposed Rulemaking ("NPR") in the **Federal Register** on January 12, 1995. The NPR solicited comments on a

proposal to remove certain regulations that governed the filing of tariffs and service contracts: 46 CFR Part 515, Filing of Tariffs by Marine Terminal Operators; 46 CFR Part 550, Publishing, Filing and Posting of Tariffs in Domestic Offshore Commerce; 46 CFR Part 580, Publishing and Filing of Tariffs by Common Carriers in the Foreign Commerce of the United States; and 46 CFR Part 581, Service Contracts.

The Commission is removing these parts because ATFI is now fully implemented and all MTO's and common carriers are now required to file their tariffs and service contracts in electronic format. (See Public Law 102-582, the High Seas Driftnet Fisheries Enforcement Act, section 502 of which directs carriers to "file electronically with the Commission all tariffs and all essential terms of service contracts required to be filed" by the 1916, 1933, or 1984 Acts; see also, 46 CFR Part 514).

The Commission did not receive any comments on the proposal to remove these regulations. The Commission is therefore adopting the proposed rule as its final rule; and in addition, the Commission is amending Parts 501, 502, 503, 504, 514, 552, 560, 572, 582, and 583 to delete references to the above removed parts and to add replacement citations. Also, 46 CFR § 514.15 is amended by removing paragraph (b)(23)(ii) which erroneously refers to Part 525 which was previously removed by the Commission. These additional changes were not part of the NPR and are not substantive changes.

The Federal Maritime Commission certifies, pursuant to section 605(b) of the Regulatory Flexibility Act, 5 U.S.C. 605(b), that this final rule will not have a significant economic impact on a substantial number of small entities, including small businesses, small organizational units, and small governmental organizations. "The criteria contained in this section requires the agency head to examine both the degree of impact as well as the dispersion of that impact." S. Rep. No. 878, 96th Cong., 2d Sess. 14 (1980) reprinted at 1980 U.S. Code Cong. and Admin. News, p. 2788 at 2801. The Commission does not believe that the removal of Parts 515, 550, 580 and 581 under the circumstances described above will result in an impact upon a substantial number of small entities.

This final rule does not contain any collection of information requirements as defined by the Paperwork Reduction Act of 1980, as amended. Therefore, OMB review is not required.
