I. Purpose and Substantive Description

A. Authority

Section 811 of the Cranston-Gonzalez
National Affordable Housing Act (the
NAHA) (Pub. L. 101-625, approved
November 28, 1990), as amended by the
Housing and Community Development
Act of 1992 (HCD Act of 1992) (Pub. L.
102-550, approved October 28, 1992),
authorized a new supportive housing
program for persons with disabilities,
and replaced assistance for persons with
disabilities previously covered by
section 202 of the Housing Act of 1959
(section 202 continues, as amended by
section 801 of the NAHA, and HCD Act
of 1992, to authorize supportive housing
for the elderly). HUD provides the
assistance as capital advances and
contracts for project rental assistance in
accordance with 24 CFR part 890.
Capital advances may be used to finance
the construction, rehabilitation, or
acquisition with or without
rehabilitation, including acquisition
from the Resolution Trust Corporation
(RTC), of structures to be developed into
a variety of housing options ranging
from group homes and independent
living facilities, to dwelling units in
multifamily housing developments,
condominium housing, and cooperative
housing. Acquisition without
rehabilitation is permitted only for
group homes or properties acquired
from the RTC. This assistance may also
cover the cost of real property
acquisition, site improvement,
conversion, demolition, relocation, and
other expenses that the Secretary
determines are necessary to expand the

supply of supportive housing for
persons with disabilities.

For supportive housing for persons
with disabilities, the Departments of
Veterans Affairs and Housing and Urban
Development, and Independent
Agencies Appropriations Act, 1995
(Pub. L. 103-327, approved September
28, 1994) provides \$387,000,000 for
capital advances for supportive housing
for persons with disabilities, as
authorized by section 811 of the NAHA,
and for project rental assistance, and
amendments to contracts for project
rental assistance, for supportive housing
for persons with disabilities, as
authorized by section 811 of the NAHA.

In accordance with an agreement
between HUD and the Administration
for Rural Housing and Economic
Development Services (ARHEDS)
(formerly the Farmers Home
Administration (FmHA)), which
facilitates the coordination between the
two agencies in administering their
respective rental assistance programs,
HUD is required to notify ARHEDS of
applications for housing assistance it
receives. This notification gives
ARHEDS the opportunity to comment if
it has concern about the demand for
additional assisted housing and possible
harm to existing projects in the same
housing market area. HUD will consider
the ARHEDS comments in its review
and project selection process.

B. Allocation Amounts

In accordance with 24 CFR part 791,
the Assistant Secretary will allocate the
amounts available for capital advances
for supportive housing for persons with
disabilities. HUD reserves project rental
assistance funds sufficient for 20-year
project rental assistance contracts in
support of the units selected for capital
advances, consistent with current
operating cost standards.

The allocation formula for Section
811 funds consists of the following two
data elements:

1. A measure of the number of
persons identified as having a public
transportation disability; and
2. A measure of the number of
persons identified as having a work
disability.

Due to the elimination of the 10 HUD
Regional Offices, the Section 811 capital
advance funds have been allocated,
based on the formula above, to 51 HUD
Offices as shown on the following chart:

C. Eligibility

Nonprofit organizations are the only eligible applicants under this program. A single Sponsor shall not request more units in a given HUD Office than permitted for that HUD Office in the Invitation.

D. Initial Screening, Technical Processing, and Selection Criteria

1. Initial Screening

HUD will review applications for section 811 capital advances that HUD receives at the appropriate address by 4:00 p.m. local time on July 24, 1995 to determine if all parts of the application are included. HUD will not review the content of the application as part of initial screening. HUD will send deficiency letters, by certified mail, informing Sponsors of any missing parts of the application. Sponsors must correct such deficiencies within 14 calendar days from the date of the deficiency letter. Any document requested as a result of the initial screening may be executed or prepared within the deficiency period, except for Forms HUD-92016-CAs, Articles of Incorporation, IRS exemption rulings, Forms SF-424, Board Resolution committing the minimum capital investment, and site control documents (all of these excepted items must be dated no later than the application deadline date).

Note: SPONSORS OF PROJECTS IN OKLAHOMA MAY SUBMIT THE SUPPORTIVE SERVICES CERTIFICATION AND THE CERTIFICATION OF CONSISTENCY WITH THE CONSOLIDATED PLAN AFTER THE APPLICATION DEADLINE BUT NO LATER THAN AUGUST 25, 1995. If these are the only deficiencies discovered during initial screening, affected Sponsors will not receive a deficiency letter.

2. Technical Processing

All applications will be placed in technical processing upon receipt of the response to the deficiency letter or at the end of the 14-day period. All applications will undergo a complete analysis. If a reviewer finds that clarification is needed to complete the review or an exhibit is missing that was not requested after initial screening, the reviewer shall immediately advise the Multifamily Housing Representative, who will: (a) Request, by telephone, that the Sponsor submit the information within five (5) working days; and (b) follow up by certified letter. Communications must be attached to the technical review and findings memorandum. As part of this analysis, HUD will conduct its environmental review in accordance with 24 CFR part 50 only on those applications containing satisfactory evidence of site control.

Examples of reasons for technical processing rejection include an ineligible Sponsor, ineligible population to be served, lack of legal capacity, or a Supportive Services Certification on which the appropriate State or local agency indicated that the provision of services is not well-designed to meet the needs of persons with disabilities, or that the Sponsor did not demonstrate sufficiently that supportive services will be provided on a consistent, long-term basis. The Secretary will not reject an application based on technical processing without giving notice of that rejection with all rejection reasons and affording the applicant an opportunity to appeal. HUD will afford an applicant 14 calendar days from the date of HUD's written notice to appeal a technical rejection to the HUD Office. The HUD Office must respond within five working days to the Sponsor. The HUD Office shall make a determination on an

appeal prior to making its selection recommendations. All applications will be either rated or technically rejected at the end of technical processing.

Technical processing will also assure that the Sponsor has complied with the requirements in the civil rights certification (24 CFR 890.265(b)(9)(i)). There must not have been an adjudication of a civil rights violation in a civil action brought against the Sponsor by a private individual, unless the Sponsor is operating in compliance with a court order, or implementing a HUD-approved compliance agreement designed to correct the areas of noncompliance. There must be no pending civil rights suits against the Sponsor instituted by the Department of Justice, and no pending administrative actions for civil rights violations instituted by HUD (including a charge of discrimination under the Fair Housing Act). There must be no outstanding findings of noncompliance with civil rights statutes, Executive Orders, or regulations, as a result of formal administrative proceedings, nor any charges issued by the Secretary against the Sponsor under the Fair Housing Act, unless the Sponsor is operating under a conciliation or compliance agreement designed to correct the areas of noncompliance. Moreover, there must not be a deferral of the processing of applications from the Sponsor imposed by HUD under Title VI of the Civil Rights Act of 1964, HUD's implementing regulations (24 CFR 1.8), procedures (HUD Handbook 8040.1), and the Attorney General's Guidelines (28 CFR 50.3); or under section 504 of the Rehabilitation Act of 1973 and HUD's implementing regulations (24 CFR 8.57), and the Americans with Disabilities Act.

Upon completion of technical processing, all acceptable applications will be rated according to the selection

criteria in 24 CFR 890.300(d) (also below in section I.D.3. of this NOFA). Applications that have a total score of 50 points or more will be eligible for selection and will be placed in rank order. These applications will be selected based on rank order to and including the last application that can be funded out of the local HUD Office's allocation. Local HUD Offices will no longer skip over any applications in order to select one based on the funds remaining. Any funds remaining after this process has been completed will be returned to Headquarters for selecting applications based on a national rank order.

3. Selection Criteria

Applications for Section 811 capital advances that successfully complete technical processing will be rated using the following selection criteria:

(a) The Sponsor's ability to develop and operate the proposed housing on a long-term basis, considering the following (70 points maximum—60 base points plus 10 bonus points):

(1) The scope, extent, and quality of the Sponsor's experience in providing housing or related services to those proposed to be served by the project and the scope of the proposed project (*i.e.*, number of units, services, relocation costs, development, and operation) in relationship to the Sponsor's demonstrated development and management capacity. (32 points);

(2) The scope, extent, and quality of the Sponsor's experience in providing housing or related services to minority persons or families (8 points);

(3) The scope, extent, and quality of the Sponsor's experience in providing opportunities for minority- and women-owned business enterprises participation (5 points);

(4) Applications submitted by Sponsors whose boards are comprised of at least 51 percent persons with disabilities (5 bonus points);

(5) The extent of local community support for the project and for the Sponsor's activities, including previous experience in serving the area where the project is to be located, and the Sponsor's demonstrated ability to enlist volunteers and raise local funds (15 points); and

(6) The Sponsor's involvement of persons with disabilities (including minority persons with disabilities) in the development of the application, and its intent to involve persons with disabilities (including minority persons with disabilities) in the development of the project (5 bonus points).

(b) The need for supportive housing for persons with disabilities in the area

to be served, the extent to which the Sponsor has site control, suitability of the site, and the design of the project, considering (50 points maximum—40 base points plus 10 bonus points):

(1) The extent of the need for the project in the area based on a determination by the HUD Office. This determination will be made by considering the Sponsor's evidence of need in the area based on the guidelines in § 890.265(b)(18), as well as other economic, demographic, and housing market data available to the HUD Office. The data could include the availability of existing Federally assisted housing (HUD and ARHEDS) for persons with disabilities and current occupancy in such facilities, Federally assisted housing for persons with disabilities under construction or for which fund reservations have been issued, and, in accordance with an agreement between HUD and ARHEDS, comments from ARHEDS on the demand for additional assisted housing and the possible harm to existing projects in the same housing market area (8 points);

(2) Applications containing acceptable evidence of control of an approvable site (10 bonus points);

(3) The proximity or accessibility of the site to shopping, medical facilities, transportation, places of worship, recreational facilities, places of employment, and other necessary services to the intended occupants; adequacy of utilities and streets, and freedom of the site from adverse environmental conditions (site control projects only); and compliance with the site and neighborhood standards (15 points);

(4) Suitability of the site from the standpoint of promoting a greater choice of housing opportunities for minority persons with disabilities (7 points); and

(5) The extent to which the proposed design will meet any special needs of persons with disabilities the housing is intended to serve and will accommodate the provision of any necessary on-site supportive services for the proposed residents (10 points).

(c) The project will be located within the boundaries of a Federally-designated Empowerment Zone, Urban Supplemental Empowerment Zone, Enterprise Community, or Urban Enhanced Enterprise Community (5 bonus points).

The maximum number of points an application can earn without bonus points is 100. An application can earn an additional 25 bonus points for a maximum total of 125 points.

II. Application Process

All applications for Section 811 capital advances submitted by eligible Sponsors must be filed with the appropriate HUD Office receiving an allocation and must meet the requirements of this NOFA. No application will be accepted after 4 p.m. local time on July 24, 1995, unless that date and time is extended by a Notice published in the **Federal Register**. HUD will not accept applications received after that date and time, even if postmarked by the deadline date. Applications submitted by facsimile are not acceptable.

Immediately upon publication of this NOFA, if names have not already been provided to the Multifamily Housing Clearinghouse, HUD Offices shall notify minority media and media for persons with disabilities, all persons and organizations on their mailing lists, minority and other organizations within their jurisdiction involved in housing and community development, and groups with special interest in housing for disabled households.

Organizations interested in applying for a Section 811 capital advance should contact the Multifamily Housing Clearinghouse at 1-800-685-8470 for a copy of the Application Package, and advise the appropriate HUD Office if they wish to attend the workshop described below. HUD encourages minority organizations to participate in this program as Sponsors. HUD Offices will advise all organizations on their mailing list of the date, time, and place of workshops at which HUD will explain the Section 811 program.

HUD strongly recommends that prospective applicants attend the local HUD Office workshop. Interested persons with disabilities should contact the HUD Office to assure that any necessary arrangements can be made to enable their attendance and participation in the workshop. While strongly urged to do so, if Sponsors cannot attend a workshop, Application Packages can also be obtained from the Multifamily Housing Clearinghouse (see address and telephone number in the "Application Package" section, above). However, Sponsors must contact the appropriate HUD Office with any questions regarding the submission of applications and for any additional application requirements. At the workshops, HUD will distribute Application Packages and will explain application procedures and requirements. Also, HUD will address concerns such as local market conditions, building codes, historic preservation, floodplain management,

displacement and relocation, zoning, and housing costs.

III. Application Submission Requirements

A. Application

Each application shall include all of the information, materials, forms, and exhibits listed in section III.B., below, of this NOFA (with the exception of applications submitted by Sponsors selected for a Section 811 fund reservation within the last three funding cycles), and must be indexed and tabbed. Previously selected Section 811 Sponsors are not required to submit the information described in B.2. (a), (b), and (c), below, of this NOFA (Exhibits 2.a., b., and c. of the application), which are the articles of incorporation (or other organizational documents), by-laws, and the IRS tax exemption, respectively. If there has been a change in any of the eligibility documents since its previous HUD approval, the Sponsor must submit the updated information in its application. The HUD Office will base its determination of the eligibility of a new Sponsor for a reservation of Section 811 capital advance funds on the information provided in the application. HUD Offices will verify a Sponsor's indication of previous HUD approval by checking the project number and approval status with the appropriate HUD Office. In addition to this relief of paperwork burden in preparing applications, applicants will be able to use information and exhibits previously prepared for prior applications under Section 811, Section 202, or other funding programs. Examples of exhibits that may be readily adapted or amended to decrease the burden of application preparation include, among others, those on previous participation in the Section 202 or Section 811 programs; applicant experience in the provision of housing and services; supportive services plan; community ties; and experience serving minorities.

B. General Application Requirements

1. Form HUD-92016-CA, Application for Section 811 Supportive Housing Capital Advance.

Note: A SPONSOR MAY APPLY FOR A SCATTERED SITE PROJECT PROVIDED EACH SITE CONTAINS THE SAME FACILITY TYPE (E.G., GROUP HOME, INDEPENDENT LIVING FACILITY, CONDOMINIUM UNIT). IF THE SPONSOR PROPOSES A MIX OF FACILITY TYPES, IT MUST SUBMIT ONE APPLICATION PER FACILITY TYPE.

2. Evidence of *each* Sponsor's legal status as a nonprofit organization, including the following:

(a) Articles of Incorporation, constitution, or other organizational documents;

(b) By-laws;

(c) IRS section 501(c)(3) tax exemption ruling (this must be submitted by all Sponsors, including churches). Previously, nonprofit organizations in Puerto Rico were exempt from this requirement provided they were exempt from income taxation under Puerto Rico law, have never been liable for payment of Federal income taxes, and do not pay patronage dividends. HUD has learned, however, that nonprofit organizations in Puerto Rico may apply and be granted IRS section 501(c)(3) tax exemption rulings. This requirement also applies to nonprofit organizations in Guam. Therefore, to the extent permitted within the application period for this NOFA, Sponsors should pursue a tax exemption ruling under 501(c)(3). If a Sponsor is unable, after using its best efforts, to secure such a ruling, it may use the regulatory exemption described in this paragraph (c), above.

Note: SPONSORS WHO HAVE RECEIVED A SECTION 811 FUND RESERVATION WITHIN THE LAST THREE FUNDING CYCLES ARE NOT REQUIRED TO SUBMIT THE DOCUMENTS DESCRIBED IN (a), (b), and (c), ABOVE. INSTEAD, SPONSORS MUST SUBMIT THE PROJECT NUMBER OF THE LATEST APPLICATION SUBMITTED AND THE HUD OFFICE TO WHICH IT WAS SUBMITTED. IF THERE HAVE BEEN ANY MODIFICATIONS OR ADDITIONS TO THE SUBJECT DOCUMENTS, INDICATE SUCH, AND SUBMIT THE NEW MATERIAL.

(d) Resolution of the board, duly certified by an officer, that no officer or director of the Sponsor or Owner has or will have any financial interest in any contract with the Owner or in any firm or corporation that has or will have a contract with the Owner and that includes a current listing of all duly qualified and sitting officers and directors by title and the ending date of each person's term.

(e) The number of people on the Sponsor's board and the number of those people who have a disability.

3. Sponsor's purpose, community ties, and experience, including the following:

(a) Description of Sponsor's purpose and current activities;

(b) Description of Sponsor's ties to the community at large and to the disabled community in particular;

(c) Description of Sponsor's housing and/or supportive services experience. The description should include any rental housing projects and/or medical facilities sponsored, owned, and operated by the Sponsor, the Sponsor's past or current involvement in any

programs other than housing that demonstrates the Sponsor's management capabilities and experience, and the Sponsor's experience in serving persons with disabilities and minorities.

(d) Description of Sponsor's experience in contracting with minority- and women-owned businesses, including a summary of the total amount awarded in each of the two categories for the preceding three years, and the percentage that amount represents of all contracts awarded by the Sponsor in the relevant time period;

(e) A certified Board Resolution acknowledging responsibilities of sponsorship, long-term support of the project(s), willingness of Sponsor to assist the Owner to develop, own, manage and provide appropriate services in connection with the proposed project, and that it reflects the will of its membership. Also, evidence, in the form of a certified Board Resolution, of the Sponsor's willingness to fund the estimated start-up expenses, the Minimum Capital Investment (one-half of one-percent of the HUD-approved capital advance, not to exceed \$10,000) (see § 890.250), and the estimated cost of any amenities or features (and operating costs related thereto) that would not be covered by the approved capital advance;

(f) Description, if applicable, of the Sponsor's efforts to involve persons with disabilities in the development of the application, as well as its intent to involve persons with disabilities in the development of the project.

4. Project information including the following:

(a) Evidence of need for supportive housing. An identification of the proposed population and evidence demonstrating sustained effective demand for the housing for the proposed population in the area to be served, such as a description of market conditions in existing Federally assisted housing for persons with disabilities (occupancy, waiting lists, etc.), State or local needs assessments of persons with disabilities in the area, the types of supportive services arrangements currently available in the area, and the use of such services as evidenced by data from local social service agencies.

(b) Description of the project, including the following:

(1) Number and type of structure(s), number of bedrooms if group home, number of units with bedroom distribution if independent living units (including condos), number of residents with disabilities, and resident staff per structure.

(2) An identification of all community spaces, amenities, or features planned for the housing. A description of how the spaces, amenities, or features will be used, the extent to which they are necessary to accommodate any special needs of the proposed residents, and the provision of any on-site supportive services also must be included. If these community spaces, amenities, or features would not comply with the design and cost standards of § 890.220, the Sponsor must demonstrate its ability and willingness to contribute both the incremental development cost and continuing operating cost associated with the community spaces, amenities, or features; and

(3) Description of whether and how the project will promote energy efficiency, and, if applicable, innovative construction or rehabilitation methods or technologies to be used that will promote efficient construction.

(c) A supportive services plan (a copy of which must be sent to the appropriate State or local agency as instructed in section IV.B., below, of this NOFA) that includes:

(1) A detailed description of whether the housing is intended to serve persons with physical, mental, or emotional impairments, developmental disabilities, or chronic mental illness. Include how and from whom persons will be referred and admitted to the project. The Sponsor may, with the approval of the Secretary, limit occupancy within housing developed under this part to persons with disabilities who have similar disabilities and require a similar set of supportive services in a supportive housing environment.

(2) A detailed description of any supportive service needs of the proposed population and the extent to which the supportive services will be needed.

(3) The manner in which such services will be provided, either by residents taking responsibility for acquiring their own services, to the extent needed, on an individual basis, or by a comprehensive service plan organized by the Sponsor.

(4) If services will be organized or provided by the Sponsor, include the following:

(i) The name(s) of the agency(s) (if other than the Sponsor) that will be responsible for providing the supportive services;

(ii) The evidence of each service provider's capability and experience in providing such supportive services;

(iii) A description of how, when, how often, and where (on/off-site) the services will be provided;

(iv) A description of residential staff, if needed;

(v) Identification of the extent of State and local funds to assist in the provision of supportive services;

(vi) Letters of intent from service providers or funding sources, indicating commitments to fund or to provide the supportive services, or indication that a particular service will be available to proposed residents. If the Sponsor will be providing any supportive services or will be coordinating the provision of any of the supportive services, a letter indicating its commitment to either provide the supportive services or ensure their provision for the life of the project;

(vii) If any State or local government funds will be provided, a description of the State or local agency's philosophy/policy concerning residential facilities for the population to be served, and a demonstration by the Sponsor that the application is consistent with State or local plans and policies governing the development and operation of facilities for the same disabled population.

(5) If the proposed residents will be taking responsibility for acquiring their own supportive services, a description of appropriate services in the community from which the residents can choose.

(6) Assurances that the proposed residents will receive supportive services based on their individual needs, and a commitment that accepting supportive services will not be a condition of occupancy.

(7) Form HUD 92013E, Supplemental Application Processing Form—Housing for Persons with Disabilities. Identify all supportive services, if any, to be provided to the persons occupying such housing.

(d) Supportive Services Certification. A certification from the appropriate State or local agency identified in the Application Package that the provision of supportive services is well designed to serve the special needs of persons with disabilities, that the necessary supportive services will be provided on a consistent, long-term basis, and that the proposed facility is consistent with State or local plans and policies governing the development and operation of facilities to serve individuals of the proposed occupancy category. (The name, address, and telephone number of the appropriate agency can be obtained from the appropriate HUD Office.)

Note: SPONSORS OF PROJECTS IN OKLAHOMA MAY SUBMIT THE SUPPORTIVE SERVICES CERTIFICATION AFTER THE APPLICATION DEADLINE

DATE BUT NO LATER THAN AUGUST 25, 1995.

(e) Evidence of control of an approvable site, or identification of a site for which the Sponsor provides reasonable assurances that it will obtain control within 6 months from the date of fund reservation (if Sponsor is approved for funding).

(1) If the Sponsor has control of the site, it must submit the following information:

(i) Evidence that the Sponsor has entered into a legally binding option agreement to purchase or lease the proposed site; or has a copy of the contract of sale for the site, a deed, long-term leasehold, a request with all supporting documentation, submitted either prior to or with the Application for Capital Advance, for a partial release of a site covered by a mortgage under a HUD program, or other evidence of legal ownership of the site (including properties to be acquired from the RTC). The option agreement period must extend through the end of the current fiscal year and contain a renewal provision so that the option can be renewed for at least an additional six months. The Sponsor must also identify any restrictive covenants, including reverter clauses. In the case of a site to be acquired from a public body, evidence that the public body possesses clear title to the site, and has entered into a legally binding agreement to lease or convey the site to the Sponsor after it receives and accepts a notice of Section 811 capital advance, and identification of any restrictive covenants, including reverter clauses. However, in localities where HUD determines that the time constraints of the funding round will not permit all of the required official actions (e.g., approval of Community Planning Boards) that are necessary to convey publicly-owned sites, a letter in the application from the mayor or director of the appropriate local agency indicating their approval of conveyance of the site contingent upon the necessary approval action is acceptable and may be approved by the HUD Office if it has satisfactory experience with timely conveyance of sites from that public body. In such cases, documentation shall also include a copy of the public body's evidence of ownership and identification of any restrictive covenants, including reverter clauses. For properties to be acquired from the RTC, include a copy of the RTC prepared Transaction Screen Checklist or Phase I Environmental Site Assessment, and applicable

documentation, per the RTC Environmental Guidelines.

Note: A PROPOSED PROJECT SITE MAY NOT BE ACQUIRED OR OPTIONED FROM A GENERAL CONTRACTOR (OR ITS AFFILIATE) THAT WILL CONSTRUCT THE SECTION 811 PROJECT OR FROM ANY OTHER DEVELOPMENT TEAM MEMBER.

(ii) Evidence that the project as proposed is permissible under applicable zoning ordinances or regulations, or a statement of the proposed action required to make the proposed project permissible and the basis for the belief that the proposed action will be completed successfully before the submission of the commitment application (*e.g.*, a summary of the results of any recent requests for rezoning on land in similar zoning classifications and the time required for such rezoning, preliminary indications of acceptability from zoning bodies, *etc.*).

(iii) Narrative description of site and area surrounding the site, characteristics of neighborhood, how the site will promote greater housing opportunities for minorities, and any other information that affects the suitability of the site for persons with disabilities and including:

(A) If acquisition, evidence that the structure has been constructed or occupied for at least three years (other than RTC properties);

(B) A statement that the Sponsor is willing to seek a different site if the preferred site is unapprovable and that site control will be obtained within six months of notification of fund reservation;

(C) A map showing the location of the site and the racial composition of the neighborhood, with the area of racial concentration delineated;

(D) A Transaction Screen Process, in accordance with the American Society for Testing and Material (ASTM) Standards E 1528-93 and E 1527-93, as amended. If the completion of the Transaction Screen Questionnaire results in either a "yes" or "unknown" response, further study is required, and the Sponsor must complete a Phase I Environmental Site Assessment in accordance with the ASTM and submit it with the application. If the Phase I study indicates the possible presence of contamination and/or hazards, further study must be undertaken. At this point, the Sponsor must decide whether to continue with this site or choose another site. Should the Sponsor choose another site, the same environmental site assessment procedure identified above must be followed for that site. Since all Transaction Screen processes

and Phase I studies must be completed and submitted with the application, it is important that the Sponsor start the site assessment process as soon after the publication of this NOFA as possible.

If the Sponsor chooses to continue with the original site, then it must undertake a detailed Phase II Environmental Site Assessment by an appropriate professional.

Note: THIS COULD BE AN EXPENSIVE UNDERTAKING. THE COST OF THE STUDY WILL BE BORNE BY THE SPONSOR IF THE APPLICATION IS NOT SELECTED.

If the Phase II Assessment reveals site contamination, the extent of the contamination and a plan for clean-up of the site must be submitted to the local HUD Office. The plan for clean-up must include a contract for remediation of the problem(s) and an approval letter from the applicable Federal, State, and/or local agency with jurisdiction over the site. In order for the application to be considered for review under this FY 1995 funding, this information would have to be submitted to the local HUD Office no later than August 16, 1995.

(E) If an exception to the project size limits is being requested, describe why the site was selected and demonstrate the following:

(i) The increased number of people is necessary for the economic feasibility of the project;

(ii) The project is compatible with other residential development and the population density of the area in which the project is to be located;

(iii) The increased number of people will not prohibit their successful integration into the community;

(iv) The project is marketable in the community;

(v) The size of the project is consistent with State and/or local policies governing similar facilities for the proposed population; and

(vi) A statement that the Sponsor is willing to have its application processed at the project size limit should HUD not approve the exception.

(2) If the Sponsor has identified a site, but does not have it under control, it must submit the following information:

(i) A description of the location of the site, including its street address and unit number (if condominium), neighborhood/community characteristics (to include racial and ethnic data), amenities, adjacent housing and/or facilities, how the site will promote greater housing opportunities for minorities, and any other information that affects the suitability of the site for persons with disabilities;

(ii) A description of the activities undertaken to identify the site, as well

as what actions must be taken to obtain control of the site, if approved for funding;

(iii) An indication as to whether the site is properly zoned. If it is not, an indication of the actions/time necessary for proper zoning;

(iv) A status of the sale of the site; and
(v) An indication as to whether the site would involve relocation.

(f) Statements of support for the proposed project from nongovernmental organizations familiar with the needs of the population it would serve, any sources of local funds to serve the project, minority support, and how long the Sponsor has been in existence (include any additional related information).

(g) For group homes to be licensed as intermediate care facilities (in which funding for the intermediate care is provided under Title XIX of the Social Security Act) that serve persons with developmental disabilities, the following must be submitted:

(1) Evidence demonstrating that the proposed project will primarily provide housing rather than medical facilities, and is or will be licensed by appropriate State agencies;

(2) Description of the medical training of the staff of the proposed facility and any nursing services that will be required by the residents on-site;

(3) Description of the services that will be funded by Medicaid for residents of the proposed project, including their nature, frequency, and where the services are to be provided;

(4) Description of any special design features proposed for the group home that are not common to other Section 811 group homes for the proposed population, and the Sponsor's rationale for including them;

(5) Written evidence from the State Medicaid Office that it recognizes the need for a tenant contribution to rent and has agreed to pay the cost of the tenant contribution in the Medicaid payment to the Owner; and

(6) Statement certifying that the Individual Program Plan for each resident will include participation in an out-of-the-home activity program for at least six hours each weekday.

5. A list of the applications, if any, the Sponsor has submitted or is planning to submit to any other HUD Office in response to this NOFA or the NOFA for Supportive Housing for the Elderly (published elsewhere in today's **Federal Register**). Indicate, by HUD Office, the number of units requested and the proposed location by city and State for each application. Also, a list of all FY 1994 and prior year projects to which the Sponsor(s) is a party, identified by

project number and HUD Office, which have not been finally closed.

6. HUD-2880, Applicant/Recipient Disclosure/Update Report including Social Security Numbers and Employee Identification Numbers.

7. E.O. 12372. A certification that the Sponsor has submitted a copy of its application, if required, to the State agency (single point of contact) for State review in accordance with Executive Order 12372.

8. A statement that: (a) Identifies all persons (families, individuals, businesses, and nonprofit organizations) by race/minority group and status as owners or tenants occupying the property on the date of submission of the application for a capital advance; (b) Indicates the estimated cost of relocation payments and other services; and (c) Identifies the staff organization that will carry out the relocation activities. (This requirement applies to applications with site control only. Sponsors of applications with identified sites that are selected will be required to submit this information at a later date once they have obtained site control.)

Note: IF ANY OF THE RELOCATION COSTS WILL BE FUNDED FROM SOURCES OTHER THAN THE SECTION 811 CAPITAL ADVANCE, THE SPONSOR MUST PROVIDE EVIDENCE OF A FIRM COMMITMENT OF THESE FUNDS. WHEN EVALUATING APPLICATIONS, HUD WILL CONSIDER THE TOTAL COST OF PROPOSALS (I.E., COST OF SITE ACQUISITION, RELOCATION, CONSTRUCTION AND OTHER PROJECT COSTS).

9. SF-424. A certification on SF-424, Application for Federal Assistance, that the Sponsor(s) is not delinquent on the repayment of any Federal debt.

10. Disclosure of Lobbying Activities. If the amount applied for is greater than \$100,000, the certification with regard to lobbying required by 24 CFR part 87 must be included. If the amount applied for is greater than \$100,000 and the applicant has made or has agreed to make any payment using nonappropriated funds for lobbying activity, as described in 24 CFR part 87, the submission must also include SF-LLL, Disclosure of Lobbying Activities. The applicant determines if the submission of the SF-LLL form is applicable.

11. Sponsor Certifications.

(a) A certification of the Sponsor(s)' intent to comply with section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and the implementing regulations at 24 CFR part 8; the Fair Housing Act (42 U.S.C. 3600-3619) and the implementing regulations at 24 CFR parts 100, 108, 109, and 110; Title VI of the Civil Rights Act of 1964 (42 U.S.C.

2000d) and the implementing regulations at 24 CFR part 1; section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and the implementing regulations at 24 CFR part 135; the Age Discrimination Act of 1975 (42 U.S.C. 6101-6107) and the implementing regulations at 24 CFR part 146; Executive Order 11246 (as amended) and the implementing regulations at 41 CFR Chapter 60; the regulations implementing Executive Order 11063 (Equal Opportunity in Housing) at 24 CFR part 107; the Americans with Disabilities Act (42 U.S.C. 12101 *et seq.*) to the extent applicable; the affirmative fair housing marketing requirements of 24 CFR part 200, subpart M and the implementing regulations at 24 CFR part 108; and other applicable Federal, State, and local laws prohibiting discrimination and promoting equal opportunity.

(b) A certification that the Sponsor(s) will comply with the requirements of the Drug-Free Workplace Act.

(c) A certification that the project will comply with HUD's design and cost standards; the Uniform Federal Accessibility Standards and HUD's implementing regulations at 24 CFR part 40; section 504 of the Rehabilitation Act of 1973 and HUD's implementing regulations at 24 CFR part 8; and for covered multifamily dwellings designed and constructed for first occupancy after March 13, 1991, the design and construction requirements of the Fair Housing Act and HUD's implementing regulations at 24 CFR part 100; and the Americans with Disabilities Act of 1990.

(d) A certification by the Sponsor(s) that it will comply (or has complied) with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA), implemented by regulations at 49 CFR part 24, and 24 CFR 890.260(e).

(e) A certification by the Sponsor(s) that it will form an Owner (as defined in 24 CFR 890.105) after the issuance of the capital advance, will cause the Owner to file a request for determination of eligibility and a request for capital advance under 24 CFR 890.300, and will provide sufficient resources to the Owner to insure the development and long-term operation of the project.

(f) A certification that the Sponsor will comply with the requirements of the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821-4846) and implementing regulations at 24 CFR part 35 (except as superseded in 24 CFR 890.260(f)(2)).

(g) Certification of Consistency with the Consolidated Plan (Plan) for the jurisdiction in which the proposed project will be located must be submitted by the Sponsor (see NOTE below if the jurisdiction does not have an approved Plan). The certification must be made by the unit of general local government if it is required to have, or has, a complete Plan. Otherwise the certification may be made by the State, or if the project will be located in a unit of general local government authorized to use an abbreviated strategy, by the unit of general local government if it is willing to prepare such a Plan.

All certifications must be made by the public official responsible for submitting the Plan to HUD. The certifications must be submitted as part of the application by the application submission deadline set forth in this NOFA, except as provided in the next paragraph. The Plan regulations are published in 24 CFR part 91.

Notes: (1) IF THE JURISDICTION'S PLAN PROGRAM YEAR HAS NOT YET STARTED, THE JURISDICTION MAY CERTIFY CONSISTENCY WITH THEIR FY 1994 CHAS IN LIEU OF THE PLAN. A NOTICE PUBLISHED IN THE FEBRUARY 6, 1995 **FEDERAL REGISTER** ESTABLISHED THAT A JURISDICTION'S PREVIOUSLY APPROVED CHAS WILL REMAIN IN EFFECT UNTIL THE START DATE OF THE JURISDICTION'S NEW CONSOLIDATED PROGRAM YEAR, AT WHICH POINT THE JURISDICTION'S NEW PLAN WOULD TAKE EFFECT. THE NOTICE ALSO ALLOWS JURISDICTIONS TO USE THEIR ANNUAL PLAN FOR FY 1994 AS EXTENDED BY THE FEBRUARY 6, 1995 **FEDERAL REGISTER** NOTICE FOR THE PURPOSE OF CERTIFICATIONS OF CONSISTENCY.

(2) SPONSORS OF PROJECTS IN OKLAHOMA MAY SUBMIT THE CERTIFICATION OF CONSISTENCY WITH THE CONSOLIDATED PLAN AFTER THE APPLICATION DEADLINE BUT NO LATER THAN AUGUST 25, 1995.

IV. Additional Information

A. Sites

The National Affordable Housing Act requires Sponsors submitting applications for Section 811 fund reservations to provide either (a) evidence of site control, or (b) reasonable assurances that it will have control of a site within six months of notification of fund reservation. Accordingly, if a Sponsor has control of a site at the time it submits its application, it must include evidence of such as described in 24 CFR 890.265. If it does not have site control, it must provide the information required in § 890.265 as a reasonable assurance that site control will be obtained within six months of fund reservation notification.

Sponsors may select a site different from the one(s) submitted in their original applications if the original site is not approvable. Selection of a different site will require HUD performance of an environmental review on the new site, which could result in rejection of that site. However, if a Sponsor does not have site control for any reason 12 months after notification of fund reservation, the assistance will be recaptured and reallocated.

Sponsors submitting satisfactory evidence of an approvable site (*i.e.*, site control) will have 10 bonus points added to the rating of their applications. Sponsors submitting proper identification of a site will not be eligible for the 10 bonus points.

Applications containing evidence of site control where either the evidence or the site is not approvable will *not* be rejected provided the application indicates the Sponsor's willingness to select another site and an assurance that site control will be obtained within six months of fund reservation notification.

In the case of a scattered site application submitted with evidence of site control for all of the sites, the evidence must be satisfactory for each site, and all the sites must be approvable for the application to receive the 10 bonus points for site control. The same applies to a scattered site application in which the Sponsor has control of some of the sites but has only identified others. It would also not be eligible for the 10 bonus points for site control.

B. Supportive Services

The National Affordable Housing Act requires Sponsors submitting applications for Section 811 fund reservations to include a supportive services plan and a certification from the appropriate State or local agency that the provision of services identified in the supportive services plan is well designed to serve the special needs of persons with disabilities. Paragraph III.B.4.(c) above outlines the information that must be in the Supportive Services Plan. Sponsors must submit one copy of their Supportive Services Plans to the appropriate State or local agency well in advance of the application deadline date in order for the State or local agency to review the Supportive Services Plan and complete the Supportive Services Certification (Paragraph III.B.4(d) above, to be supplied by the Sponsor from the Application Package received from the HUD Office) and return it to the Sponsor for inclusion with the application submission to HUD.

Note: SPONSORS OF PROJECTS IN OKLAHOMA MAY SUBMIT THE

SUPPORTIVE SERVICES CERTIFICATION AFTER THE APPLICATION DEADLINE DATE BUT NO LATER THAN AUGUST 25, 1995.

Since the appropriate State or local agency will review the Supportive Services Plan on behalf of HUD, the Supportive Services Certification, in addition to the indication as to whether the provision of supportive services is well designed, will indicate whether the Sponsor demonstrated that necessary supportive services will be provided on a consistent, long-term basis. If HUD receives an application in which the Supportive Services Certification is missing, is received by HUD after the deficiency period, or indicates that either the provision of services is *not* well designed to meet the special needs of persons with disabilities or that the Sponsor failed to demonstrate that the necessary services will be provided on a consistent, long-term basis, the application shall be rejected.

HUD recognizes that there will be varying degrees of need for supportive services by the potential residents of Section 811 housing, even to the degree of needing no special services at all. Sponsors must describe this in the application, in Exhibit 4. A Sponsor proposing to serve persons with disabilities who need few, if any, special services will not have its application penalized as a result. In addition, Sponsors may not require residents, as a condition of occupancy, to accept any supportive service.

C. Project Size Limits

The maximum number of persons with disabilities in an independent living facility is 24 persons for all disability types.

V. Other Matters

A. Environmental Impact

A Finding of No Significant Impact with respect to the environment has been made in accordance with HUD regulations that implement section 102(2)(C) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332). The Finding of No Significant Impact is available for public inspection during business hours in the Office of the Rules Docket Clerk, Office of General Counsel, Room 10276, Department of Housing and Urban Development, 451 Seventh Street, SW, Washington, DC 20410.

B. Federalism Executive Order

The General Counsel, as the Designated Official under section 6(a) of Executive Order 12612, *Federalism*, has determined that this NOFA does not have substantial direct effects on States

or their political subdivisions, or on the relationship between the Federal government and the States, or on the distribution of power and responsibilities among the various levels of government. This NOFA merely notifies the public of the availability of capital advances for supportive housing for persons with disabilities.

C. Family Executive Order

The General Counsel, as the Designated Official under Executive Order 12606, *the Family*, has determined that this NOFA does not have the potential for significant impact on family formation, maintenance, or general well-being. This NOFA may have a positive though indirect effect on families, to the extent that families will benefit from the provision of supportive housing for persons with disabilities. Since any effect on families is beneficial, this NOFA is not subject to review under the Order.

D. Accountability in the Provision of HUD Assistance

HUD has promulgated a final rule to implement section 102 of the Department of Housing and Urban Development Reform Act of 1989 (HUD Reform Act). The final rule is codified at 24 CFR part 12. Section 102 contains a number of provisions that are designed to ensure greater accountability and integrity in the provision of certain types of assistance administered by HUD. On January 14, 1992, HUD published in the **Federal Register** (57 FR 1942) additional information that gave the public (including applicants for, and recipients of, HUD assistance) further information on the implementation, public access, and disclosure requirements of section 102. The documentation, public access, and disclosure requirements of section 102 are applicable to assistance awarded under this NOFA as follows:

1. Documentation and Public Access

HUD will ensure documentation and other information regarding each application submitted pursuant to this NOFA are sufficient to indicate the basis upon which assistance was provided or denied. This material, including any letters of support, will be made available for public inspection for a five-year period beginning not less than 30 days after the award of the assistance. Material will be made available in accordance with the Freedom of Information Act (5 U.S.C. 552) and HUD's implementing regulations at 24 CFR part 15. In addition, HUD will include the recipients of assistance

pursuant to this NOFA in its **Federal Register** notice of all recipients of HUD assistance awarded on a competitive basis. (See 24 CFR 12.14(a) and 12.16(b), and the notice published in the **Federal Register** on January 16, 1992 (57 FR 1942), for further information on these requirements.)

2. Disclosures

HUD will make available to the public for five years all applicant disclosure reports (HUD Form 2880) submitted in connection with this NOFA. Update reports (also Form 2880) will be made available along with the applicant disclosure reports, but in no case for a period less than three years. All reports—both applicant disclosures and updates—will be made available in accordance with the Freedom of Information Act (5 U.S.C. 552) and HUD's implementing regulations at 24 CFR part 15. (See 24 CFR subpart C, and the notice published in the **Federal Register** on January 16, 1992 (57 FR 1942), for further information on these disclosure requirements.)

E. Documentation and Public Access Requirements: HUD Reform Act

HUD will ensure that documentation and other information regarding each application submitted pursuant to this NOFA are sufficient to indicate the basis upon which assistance was provided or denied. This material, including any letters of support, will be made available for public inspection for a five-year period beginning not less than 30 days after the award of the assistance. Material will be made available in accordance with the Freedom of Information Act (5 U.S.C. 552) and HUD's implementing regulations at 24 CFR part 15. In addition, HUD will include the recipients of assistance pursuant to this NOFA in its **Federal Register** notice of all recipients of HUD assistance awarded on a competitive basis. (See 24 CFR 12.14(a) and 12.16(b), and the notice published in the **Federal Register** on January 16, 1992 (57 FR 1942), for further information on these requirements.)

F. Section 103

HUD's regulation implementing section 103 of the Department of Housing and Urban Development Reform Act of 1989 was published May 13, 1991 (56 FR 22088) and became effective on June 12, 1991. That regulation, codified as 24 CFR part 4, applies to the funding competition announced today. The requirements of the rule continue to apply until the announcement of the selection of successful applicants.

HUD employees involved in the review of applications and in the making of funding decisions are restrained by part 4 from providing advance information to any person (other than an authorized employee of HUD) concerning funding decisions, or from otherwise giving any applicant an unfair competitive advantage. Persons who apply for assistance in this competition should confine their inquiries to the subject areas permitted under 24 CFR part 4.

Applicants who have questions should contact the HUD Office of Ethics (202) 708-3815 (TDD/Voice). (This is not a toll-free number.) The Office of Ethics can provide information of a general nature to HUD employees, as well. However, a HUD employee who has specific program questions, such as whether particular subject matter can be discussed with persons outside HUD, should contact his or her HUD Office Counsel, or Headquarters counsel for the program to which the question pertains.

G. Lobbying

Section 13 of the Department of Housing and Urban Development Act (42 U.S.C. 3537b) contains two provisions dealing with efforts to influence HUD's decisions with respect to financial assistance. The first imposes disclosure requirements on those who are typically involved in these efforts—those who pay others to influence the award of assistance or the taking of a management action by HUD and those who are paid to provide the influence. The second restricts the payment of fees to those who are paid to influence the award of HUD assistance, if the fees are tied to the number of housing units received or are based on the amount of assistance received, or if they are contingent upon the receipt of assistance.

Section 13 was implemented by final rule published in the **Federal Register** on May 17, 1991 (56 FR 22912). If readers are involved in any efforts to influence HUD in these ways, they are urged to read the final rule, particularly the examples contained in Appendix A of the rule.

Any questions regarding the rule should be directed to the Director, Office of Ethics, Room 2158, Department of Housing and Urban Development, 451 Seventh Street, SW, Washington, DC 20410. Telephone: (202) 708-3815 (TDD/Voice). (This is not a toll-free number.) Forms necessary for compliance with the rule may be obtained from the local HUD Office.

H. Prohibition Against Lobbying Activities

The use of funds awarded under this NOFA is subject to the disclosure requirements and prohibitions of section 319 of the Department of Interior and Related Agencies Appropriations Act for Fiscal Year 1990 (31 U.S.C. 1352) (the Byrd Amendment) and the implementing regulations at 24 CFR part 87. These authorities prohibit recipients of Federal contracts, grants, or loans from using appropriated funds for lobbying the executive or legislative branches of the Federal Government in connection with a specific contract, grant, or loan. The prohibition also covers the awarding of contracts, grants, cooperative agreements, or loans unless the recipient has made an acceptable certification regarding lobbying. Under 24 CFR part 87, applicants, recipients, and subrecipients of assistance exceeding \$100,000 must certify that no Federal funds have been or will be spent on lobbying activities in connection with the assistance.

I. Catalog of Federal Domestic Assistance Program
