The Form I-765 is necessary for data gathering purposes.

Notice of Extension of Designation of Rwanda Under the Temporary Protected Status Program

By the authority vested in me as Attorney General under section 244A of the Immigration and Nationality Act, as amended, (8 U.S.C. 1254a), and pursuant to sections 244A(b)(3) (A) and (C) of the Act, I have had consultations with the appropriate agencies of the Government concerning (a) the conditions in Rwanda; and (b) whether permitting nationals of Rwanda, and aliens having no nationality who last habitually resided in Rwanda, to remain temporarily in the United States is contrary to the national interest of the United States. As a result, I determine that the conditions for the original designation of Temporary Protected Status for Rwanda continue to be met. Accordingly, it is ordered as follows:

(1) The designation of Rwanda under section 244A(b) of the Act is extended for an additional 12-month period from June 7, 1995, to June 6, 1996.

(2) I estimate that there are approximately 200 nationals of Rwanda, and aliens having no nationality who last habitually resided in Rwanda, who have been granted Temporary Protected Status and who are eligible for re-registration.

(3) A national of Rwanda, or an alien having no nationality who last habitually resided in Rwanda, who received a grant of Temporary Protected Status during the initial period of designation from June 7, 1994, to June 6, 1995, must comply with the re-registration requirements contained in 9 CFR 240.17, which are described in pertinent part in paragraphs (4) and (5) of this notice.

(4) A national of Rwanda, or an alien having no nationality who last habitually resided in Rwanda, who previously has been granted Temporary Protected Status, must re-register by filing a new Application for Temporary Protected Status, Form I-821, together with an Application for Employment Authorization, Form I-765, within the 30-day period beginning on May 25, 1995 and ending on June 23, 1995, in order to be eligible for Temporary

Protected Status during the period from June 7, 1995, until June 6, 1996. Late re-registration applications will be allowed for "good cause" pursuant to 8 CFR 240.17(c).

(5) There is no fee for the Form I-821 filed as part of the re-registration application. The fee prescribed in 8 CFR 103.7(b)(1), currently seventy dollars (\$70), will be charged for the Form I-765, filed by an alien requesting employment authorization pursuant to the provisions of paragraph (4) of this notice. An alien who does not request employment authorization must nonetheless file Form I-821 together with Form I-765, but in such cases both Form I-821 and Form I-765 should be submitted without fee.

(6) Pursuant to section 244A(b)(3)(A) and (C) of the Act, the Attorney General will review, at last 60 days before June 6, 1996, the designation of Rwanda under the Temporary Protected Status program to determine whether the conditions for designation continue to be met. Notice of that determination, including the basis for the determination, will be published in the **Federal Register**.

(7) Information concerning the Temporary Protected Status program for nationals of Rwanda, and aliens having no nationality who last habitually resided in Rwanda, will be available at local Immigration and Naturalization Service offices upon publication of this notice.

Dated: May 17, 1995.

Janet Reno,

Attorney General.

Notice of Determinations Regarding Eligibility to Apply for Worker Adjustment Assistance and NAFTA Transitional Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended, the Department of Labor herein presents summaries of determinations regarding eligibility to apply for trade adjustment assistance for workers (TA-W) issued during the period of May, 1995.

In order for an affirmative determination to be made and a certification of eligibility to apply for

worker adjustment assistance to be issued, each of the group eligibility requirements of Section 222 of the Act must be met.

(1) That a significant number or proportion of the workers in the workers' firm, or an appropriate subdivision thereof, have become totally or partially separated,

(2) That sales or production, or both, of the firm or subdivision have decreased absolutely, and

(3) That increases of imports of articles like or directly competitive with articles produced by the firm or appropriate subdivision have contributed importantly to the separations, or threat thereof, and to the absolute decline in sales or production.

Negative Determinations for Worker Adjustment Assistance

In each of the following cases the investigation revealed that criterion (3) has not been met. A survey of customers indicated that increased imports did not contribute importantly to worker separations at the firm.

TA-W-30,992; General Electric, Murfreesboro, TN

TA-W-30,881; Electro-Scan, Inc., Garfield, NJ

In the following cases, the investigation revealed that the criteria for eligibility have not been met for the reasons specified.
