[Docket No. N–95–3762; FR–3613–N–03]

Announcement of Funding Awards for Preservation Support Grants and Partial Cancellation

AGENCY: Office of the Assistant Secretary for Housing, HUD.

ACTION: Announcement of funding awards and notice of partial cancellation.

SUMMARY: The Notice of Funding Availability (NOFA) published in the **Federal Register** on June 14, 1994 (59

FR 30640), announced the availability of up to \$6 million in funding for Preservation Support Grants. Eligible applicants could apply in one of two categories. First, Outreach and Training; and second, Preservation Activity Grants. This announcement notifies the public of the cancellation of the Preservation Activity Grant, in part, because the language of the NOFA did not allow HUD to select the types of activities it wished to fund. The Department would have been required to fully fund applicants in rank order, even if part or all of a high ranking application contained activities that the Department did not find appropriate for the current needs of the Preservation program.

In accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989, this announcement notifies the public of funding decisions made by the Department under the Preservation Support Grants NOFA. This announcement contains the names and addresses of the award winners and the amounts of the awards for the Outreach and Training Grants.

FOR FURTHER INFORMATION CONTACT: Kerry J. Mulholland, Acting Director, Preservation Division, Department of Housing and Urban Development, 451 Seventh Street, SW, Washington, DC 20410, telephone (202) 708–2300,

extension 2649. The TDD number for the hearing impaired is (202) 708–9300. (These are not toll-free numbers.)

SUPPLEMENTARY INFORMATION: The Outreach and Training grant funds were made available to resident-controlled or community-based nonprofit organizations with experience in resident education and organizing to conduct community-, city-, or county-wide outreach to identify, organize and deliver training to residents of eligible low-income housing.

The 1995 awards announced in this Notice were selected for funding based on applications submitted pursuant to the NOFA published in the **Federal Register** on June 14, 1994 (59 FR 30640). Applications were reviewed and selected for funding on the basis of selection criteria contained in that Notice.

A total of \$3.4 million was awarded to 10 grantees who will aid residents in organizing and in possibly pursuing the purchase of developments where affordable status is threatened. In accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989 (Pub. L. 101–235, approved December 15, 1989), the Department is publishing the names, addresses, and amounts of those awards as follows:
