BILLING CODE 3510-DT-M

Foreign-Trade Zones Board

[Docket 25-95]

Foreign-Trade Zone 146, Lawrence County, Illinois; Application for Subzone Status, Marathon Oil Company (Oil Refinery), Robinson, Illinois

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Bi-State Authority, grantee of FTZ 146, requesting special-purpose subzone status for the oil refinery of Marathon Oil Company (Marathon) (subsidiary of USX Corporation), located in Robinson, Illinois. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations

of the Board (15 CFR part 400). It was formally filed on May 19, 1995.

The refinery (890 acres) is located at Marathon Ave. and State Hwy 33 in Robinson, Crawford County, in southeastern Illinois, some 150 miles east of St. Louis. The refinery (180,000 barrels per day; 570 employees) is used to produce fuels and petrochemical feedstocks. Fuels produced include gasoline, jet fuel, kerosene, fuel oil and residual oil. Petrochemical feedstocks produced include butane and propane, and refinery by-products include petroleum coke and sulfur. Some 30 percent of the crude oil (some 80 percent of inputs) and some feedstocks used by the refinery are sourced from abroad.

Zone procedures would exempt the refinery from Customs duty payments on the foreign products used in its exports. On domestic sales, the company would be able to choose the finished product duty rate (nonprivileged foreign status—NPF) on certain petrochemical feedstocks and refinery by-products (duty-free). The duty on crude oil ranges from 5.25¢ to 10.5¢ barrel. Marathon indicates that some of the NPF finished products might be used as fuel in the refining process. The application indicates that the savings from zone procedures would help improve the refinery's international competitiveness.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is July 25, 1995. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to August 9, 1995.

A copy of the application and accompanying exhibits will be available for public inspection at each of the following locations:

Lawrenceville, Illinois 62439.
