The First National Company, Storm Lake, Iowa; Notice to Engage in Certain Nonbanking Activities

The First National Company, Storm Lake, Iowa (Applicant), has given notice pursuant to section 4(c)(8) of the Bank Holding Company Act (12 U.S.C. 1843(c)(8)) (BHC Act) and section 225.23 of the Board's Regulation Y (12 CFR 225.23), to indirectly acquire Buena Vista Abstracting, Storm Lake, Iowa, and thereby engage in real estate title abstracting. Real estate title abstracting includes the reporting of information on the interests or ownership of selected real property. Applicant would obtain information from public records and prepare a written report reciting the property's ownership history, including any liens held against such property. The report would assist lenders and their counsel in determining the status

of the property to be mortgaged. In connection with this activity, Applicant would not provide any insurance against title defects, guarantee any title, or provide any certification with respect to a title. Applicant seeks approval to conduct the proposed activities throughout Buena Vista County, Iowa.

Section 4(c)(8) of the BHC Act provides that a bank holding company may, with Board approval, engage in any activity "which the Board after due notice and opportunity for hearing has determined (by order or regulation) to be so closely related to banking or managing or controlling banks as to be a proper incident thereto." In determining whether a proposed activity is closely related to banking for purposes of the BHC Act, the Board considers, *inter alia*, the matters set forth in *National Courier Ass. v. Board of Governors of the Federal Reserve System*, 516 F.2d 1229 (D.C. Cir. 1975). These considerations are (1) Whether banks generally have in fact provided the proposed services, (2) whether banks generally provide services that are operationally or functionally so similar to the proposed services as to equip them particularly well to provide the proposed services, and (3) whether banks generally provide services that are so integrally related to the proposed services as to require their provision in a specialized form. See 516 F.2d at 1237. In addition, the Board may consider any other basis that may demonstrate that the activity has a reasonable or close relationship to banking or managing or controlling banks. *Board Statement Regarding Regulation Y*, 49 Fed. Reg. 806 (1984).

Applicant indicates that the proposed real estate title abstracting activities are incidental to the business of lending and consistent with the provision of real estate settlement services previously approved by the Board. See *e.g.*, *Norwest Corporation*, 76 Federal Reserve Bulletin 1058 (1990). Because Applicant would not provide any insurance against title defects or
