FOR FURTHER INFORMATION CONTACT: Mary Ann Wilmer, Operations Officer, National Assessment Governing Board, Suite 825, 800 North Capitol Street, N.W., Washington, D.C., 20002-4233, Telephone: (202) 357-6938.

SUPPLEMENTARY INFORMATION: The National Assessment Governing Board is established under section 412 of the National Education Statistics Act of 1994 (Title IV of the Improving America's Schools Act of 1994), (Pub. L. 103-382).

The Board is established to formulate policy guidelines for the National Assessment of Educational Progress. The Board is responsible for selecting subject areas to be assessed, developing assessment objectives, identifying appropriate achievement goals for each grade and subject tested, and establishing standards and procedures for interstate and national comparisons.

On June 12, the Executive Committee and the Subject Area Committee #2 will meet in a joint teleconference from 11:00 a.m. until 11:30 a.m. The purpose of this meeting is to decide on whether to conduct the grade 12 arts field test in 1996. This meeting will be closed to the public to permit the committees to review and discuss confidential government cost estimates related to the procurement of the arts field test. The discussion of this information will involve proprietary information about funding levels for proposed procurements and would be likely to significantly frustrate implementation of a proposed agency action if considered in open session. Such matters are

protected by exemption (9(B)) of Section 552(b)(c) of Title 5 U.S.C.

At the conclusion of the joint meeting, the Executive Committee will continue to meet in closed session to review and act on two agenda items: (1) The performance of National Assessment Governing Board excepted-appointment staff in their respective positions, and (2) confidential government cost-estimate issues related to the procurement of future NAEP assessments.

The reviews and subsequent personnel actions of the excepted-appointment staff will relate solely to the internal rules and practices of an agency and disclose information of a personal nature, which disclosure would constitute a clearly unwarranted invasion of personal privacy if conducted in open session. Such matters are protected by exemptions (2) and (6) of Section 552(b)(c) of Title 5 U.S.C.

The committee's deliberations regarding the government cost-estimates for future NAEP assessments will involve discussions of proprietary information about funding levels for proposed procurements. Premature public disclosure of this information would affect private decisions by third parties and damage the financial interests of the NAEP program. The premature disclosure of this information would be likely to significantly frustrate implementation of a proposed agency action if considered in open session. Such matters are protected by exemption (9(B)) of Section 552(b)(c) of Title 5 U.S.C.

A summary of the activities and related matters, which are informative to the public and consistent with the policy of Section 5 U.S.C. 552b, will be available to the public within 14 days after the meetings. Records are kept of all Board proceedings and are available for public inspection at the U.S. Department of Education, National Assessment Governing Board, Suite 825, 800 North Capitol Street, N.W., Washington, D.C., from 8:30 a.m. to 5:00 p.m.

Dated: May 23, 1995.

Roy Truby,

Executive Director, National Assessment Governing Board.
