Self-Regulatory Organizations; Notice of Filing of Proposed Rule Change by the Chicago Board Options Exchange, Inc., Relating to Members' Compliance With Position and Exercise Limits for Non-CBOE Listed Options

May 24, 1995.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"), 15 U.S.C. 78s(b)(1), notice is hereby given that on April 20, 1995, the Chicago Board Options Exchange, Inc. ("CBOE" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The CBOE proposes to amend CBOE Rules 4.11, "Position Limits," and 4.12, "Exercise Limits," to require CBOE members who trade on-CBOE listed option contracts and who are not

members of the exchange where the options are traded to comply with the option position and exercise limits set by the exchange where the transactions are effected.¹ In addition, the CBOE proposes to amend the text of CBOE Rule 4.12 to replace references to the Exchange's previous equity option position limits with references to the Exchange's current equity position limits, which were excluded inadvertently from the text of CBOE Rule 4.12 when the equity option position limits were increased in December 1993.² Finally, the CBOE proposes to amend CBOE Rules 4.11 and 4.12 to indicate that the Exchange's position and exercise limits are now established by the staff of the CBOE, rather than by the CBOE's Board of Directors ("Board").

The text of the proposal is available at the Office of the Secretary, CBOE, and at the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

According to the CBOE, one purpose of the proposal is to eliminate a jurisdictional loophole whereby a CBOE member, who exceeds position or exercise limits on another options exchange in an option class not listed on the CBOE and who is not a member of the other exchange, falls outside of both the CBOE's and the other options

¹ Position limits impose a ceiling on the number of option contracts in each class on the same side of the market *i.e.*, aggregating long calls and short puts or long puts and short calls) that can be held or written by an investor or group of investors acting in concert. Exercise limits prohibit an investor or group of investors acting in concert from exercising more than a specified number of puts or calls in a particular class within five consecutive business days.
