[Docket No. EC94-14-000]

Take notice that on May 9, 1995, The Cleveland Electric Illuminating Company (Cleveland Electric) and The Toledo Edison Company (Toledo Edison) (together, the Applicants), pursuant to § 203 of the Federal Power Act, 16 U.S.C. § 824b, and Part 33 of the Rules and Regulations of the Federal Energy Regulatory Commission (Commission), tendered for filing an amendment to the application for an order from the Commission authorizing the merger of Toledo Edison into Cleveland Electric.

The Applicants are public utilities organized and existing under the laws of

the State of Ohio, and both Applicants are engaged in the business of supplying electric energy to wholesale and retail customers within the State of Ohio.

Cleveland Electric generates, transmits, distributes and sells electric energy to approximately 748,000 customers in Northeastern Ohio. Toledo Edison generates, transmits, distributes and sells electric energy to approximately 285,000 customers in Northwestern Ohio. Cleveland Electric's and Toledo Edison's operations are subject to regulation by The Public Utilities Commission of Ohio. Centerior Energy Corporation (Centerior), which is organized and existing under the laws of the State of Ohio, is the 100% owner of the common stock of both Cleveland Electric and Toledo Edison. Each of Cleveland Electric and Toledo Edison has outstanding serial preferred shares that are held by the public.

Under the terms and conditions of a definitive Agreement of Merger entered into by Cleveland Electric and Toledo Edison, 100% of the common shares of Toledo Edison will be converted into newly-issued common shares of Cleveland Electric, the Toledo Edison preferred shares will be exchanged for newly-issued preferred shares of Cleveland Electric, and any dissenting preferred shareholders of Toledo Edison will be paid cash for their shares upon exercise of applicable dissenters' rights. Upon the occurrence of these events, Toledo Edison will be merged into Cleveland Electric, and the separate corporate existence of Toledo Edison will cease. Cleveland Electric will, by operation of law, acquire title to and interest in all facilities of Toledo Edison that are currently under the jurisdiction of the Commission, and Cleveland Electric will operate such facilities without change.
