**Cyanuric Acid From Japan, Revocation
of the Antidumping Duty Order**

AGENCY: Import Administration,
International Trade Administration,
Department of Commerce.

ACTION: Notice of revocation of
Antidumping Duty Order.

SUMMARY: The Department of Commerce (the Department) is notifying the public of its revocation of the antidumping duty order on cyanuric acid from Japan because it is no longer of any interest to domestic interested parties.

EFFECTIVE DATE: June 1, 1995.

FOR FURTHER INFORMATION CONTACT: Sheila Forbes or Michael Panfeld, Office of Antidumping Compliance, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230, telephone (202) 482-5253.

SUPPLEMENTARY INFORMATION:**Background**

The Department may revoke an antidumping duty order if the Secretary concludes that the duty order is no longer of any interest to domestic interested parties. We conclude that there is no interest in an antidumping duty order when no interested party has requested an administrative review for five consecutive review periods and when no domestic interested party objects to revocation (19 CFR 353.25(d)(4)(iii)).

On March 31, 1995, the Department published in the **Federal Register** (60 FR 16604) its notice of intent to revoke the antidumping duty order on cyanuric acid from Japan (April 27, 1984). Additionally, as required by 19 CFR 353.25(d)(4)(ii), the Department served written notice of its intent to revoke this antidumping duty order on each

domestic interested party on the service list. Domestic interested parties who might object to the revocation were provided the opportunity to submit their comments not later than the last day of the anniversary month.

In this case, we received no requests for review for five consecutive review periods. Furthermore, no domestic interested party, as defined under § 353.2(k)(3), (k)(4), (k)(5), or (k)(6) of the Department's regulations, has expressed opposition to revocation. Based on these facts, we have concluded that the antidumping duty order on cyanuric acid from Japan is no longer of any interest to interested parties. Accordingly, we are revoking this antidumping duty order in accordance with 19 CFR 353.25(d)(4)(iii).

Scope of the Order

Imports covered by the revocation are shipments of cyanuric acid from Japan. This merchandise is currently classifiable under Harmonized Tariff Schedules (HTS) item number 2933.69.00. The HTS number is provided for convenience and customs purposes. The written description remains dispositive.

This revocation applies to all unliquidated entries of cyanuric acid from Japan entered, or withdrawn from warehouse, for consumption on or after April 1, 1995. Entries made during the period April 1, 1994, through March 31, 1995, will be subject to automatic assessment in accordance with 19 CFR 353.22(e). The Department will instruct the Customs Service to proceed with liquidation of all unliquidated entries of this merchandise entered, or withdrawn from warehouse, for consumption on or after April 1, 1995, without regard to antidumping duties, and to refund any estimated antidumping duties collected with respect to those entries. This notice is in accordance with 19 CFR 353.25(d).

Dated: May 24, 1995.

Joseph A. Spetrini,

Deputy Assistant Secretary for Compliance.
