**SUPPLEMENTARY INFORMATION:** The following is a summary of the application. The complete application may be obtained for a fee at the SEC's Public Reference Branch.

**Applicant's Representations**

1. Applicant is registered as an open-end management investment company under the Act and organized as an Ohio business trust. On March 22, 1994, applicant registered under the Act as an investment company and filed a registration statement on Form N-1A to register its shares under the Securities Act of 1933. The registration statement became effective on June 22, 1994, and applicant commenced the initial public offering of its Retire 2010 series and Retire 2020 series promptly thereafter.

2. On March 25, 1995, after determining that the continued operation of applicant would be uneconomical and not in the best interest of shareholders, applicant's board of trustees unanimously authorized the liquidation of applicant

pending shareholder approval. On or about March 25, 1995, applicant notified each of the remaining shareholders by phone of the situation concerning the future of their fund. Notification was made by phone as all non-affiliated shareholders were personal friends of the adviser. These non-affiliated shareholders requested redemption of their shares on various dates and such redemptions occurred at the prevailing net asset value on the date the redemption request was received.

3. On April 15, 1995, all non-affiliated shareholders had completed redemption of their shares. The board approved the deregistration on April 17, 1995, after the sole remaining shareholder, Gregory L. Bruno, President and Founder of the funds, voted to deregister and wind up the affairs of applicant. After the termination of the funds, the remaining portfolio securities were then transferred to Gregory L. Bruno.

4. Distributions to all securityholders in complete liquidation of their interests have been made. Applicant incurred \$175 in brokerage commissions with respect to the disposition of its Retire 2010 portfolio securities, and \$50 with respect to its Retire 2020 portfolio securities. Liquidation expenses are inconsequential and will be borne by Countdown Management Corporation, applicant's investment adviser.

5. As of the date of the application, applicant had no debts or liabilities and is not a party to any litigation or administrative proceeding.

6. Applicant is neither engaged in, nor does it propose to engage in, any business activities other than those necessary for the winding-up of its affairs. Applicant intends to file all documents required to terminate its existence as an Ohio business trust.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.
