**FOR FURTHER INFORMATION CONTACT:** Vera Stubbs, New Chemicals Branch, Chemical Control Division (7405), Office of Pollution Prevention and Toxics, Environmental Protection Agency, Rm. E-447, 401 M St., SW., Washington, DC 20460, (202) 260-5671.

**SUPPLEMENTARY INFORMATION:** Section 5(h)(1) of TSCA authorizes EPA to exempt persons from premanufacture notification (PMN) requirements and permit them to manufacture or import new chemical substances for test marketing purposes if the Agency finds that the manufacture, processing, distribution in commerce, use and disposal of the substances for test marketing purposes will not present an unreasonable risk of injury to health or the environment. EPA may impose restrictions on test marketing activities and may modify or revoke a test marketing exemption upon receipt of new information which casts significant doubt on its finding that the test marketing activity will not present an unreasonable risk of injury.

EPA hereby approves TMEs 95-5, 6, 7, and 8. EPA has determined that test

marketing of the new chemical substances described below, under the conditions set out in this TME application, and within the time period and restrictions specified below, will not present an unreasonable risk of injury to health or the environment. Production volume, use, and the number of customers must not exceed that specified in this application. All other conditions and restrictions described in this application and in this notice must be met.

Inadvertently, notice of receipt of these applications were not published. Therefore, an opportunity to submit comments is being offered this time. The complete nonconfidential document is available in the NCIC at the above address between 12 noon and 4 p.m., Monday through Friday, excluding legal holidays. EPA may modify or revoke the test marketing exemption if comments are received which cast significant doubt on its finding that the test marketing activities will not present an unreasonable risk of injury.

The following additional restrictions apply to TMEs 95-5, 6, 7, and 8. A bill of lading accompanying each shipment must state that the use of the substance is restricted to that approved in the TME. In addition, the Company shall maintain the following records until 5 years after the date they are created, and shall make them available for inspection or copying in accordance with section 11 of TSCA:

1. The applicant must maintain records of the quantity of the TME substance produced and the date of manufacture.
2. The applicant must maintain records of dates of the shipments to each customer and the quantities supplied in each shipment.
3. The applicant must maintain copies of the bill of lading that accompanies each shipment of the TME substance.

**T-95-5, 6, 7, and 8**

**Date of Receipt:** April 18, 1995. The extended comment period will close June 16, 1995.

**Close of Review Period:** June 1, 1995.

**Applicant:** Westvaco Corporation.

**Chemical:** Reaction products of maleated tall oil fatty acid, ethylene glycol ester, potassium salts with reaction products of fatty acids, tall oil with diethylenetriamine.

**Use:** Production, transportation, and processing petrochemical corrosion inhibitor.

**Production Volume:** Confidential.

**Number of Customers:** Confidential.

**Test Marketing Period:** One year, commencing on first day of commercial manufacture.

**Risk Assessment:** EPA identified no significant health or environmental concerns for the test market substance. Therefore, the test market activities will not present any unreasonable risk of injury to human health and the environment.

The Agency reserves the right to rescind approval or modify the conditions and restrictions of an exemption should any new information come to its attention which casts significant doubt on its finding that the test marketing activities will not present an unreasonable risk of injury to health or the environment.

A record has been established for this notice under docket number [OPPTS-59346] (including comments and data submitted electronically as described above.) A public version of this record, including printed, paper versions of electronic comments, which does not include any information claimed as confidential business information (CBI), is available for inspection from 12 noon to 4 p.m., Monday through Friday, excluding legal holidays. The public record is located in the TSCA Nonconfidential Information Center, at the address above.
