## [Project No. 2984-024]

**S.D. Warren Co.; Notice of Extension of Comment Due Date**

May 26, 1995.

On April 3, 1995, the S.D. Warren Company, licensee for the Eel Weir Project, submitted its Final Proposed Level Management Plan for Sebago Lake (Sebago Lake Plan). The plan was submitted in accordance with the Federal Energy Regulatory Commission's (Commission) Order on Complaint, dated August 4, 1994 and Order Granting Extension of Time, dated December 20, 1994 and March 7, 1995. The submittal, prepared by S.D. Warren Company, is a lake level plan that seeks to balance the various competing uses of Sebago Lake.

On April 26, 1995, the Commission issued a Notice of Reservoir Level Management Plan for Sebago Lake. The notice was published in the Portland Press Herald on May 12, 1995, and provided the public with the opportunity to comment on S.D. Warren's Sebago Lake Plan. The notice required that comments be filed no later than June 12, 1995.

By letter dated May 12, 1995, State of Maine Department of Environmental Protection (DEP) requested an extension of the comment due date from June 12, 1995 to June 30, 1995. In support of its request, the DEP states that it, in conjunction with the Maine Departments of Conservation, Environmental Protection, and Inland Fisheries and Wildlife, has scheduled a public meeting for May 31, 1995, in order to receive public comment on the Sebago Lake Plan. The DEP believes a 30-day comment period from the date of the public meeting is appropriate and sufficient to allow for public comment. Accordingly, the DEP requests an
