National Park Service

Intention To Extend an Existing Concession Contract—Muir Woods National Monument

SUMMARY: Pursuant to the Act of October 9, 1965 (79 Stat. 969; 16 U.S.C. 20 *et seq.*), notice is given that the National Park Service intends to extend the concession contract at Muir Woods National Monument for a period of three years. This extension is necessary to allow the continuation of public services during the completion period of the planning documents for the park. The current concessioner has performed its obligation to the satisfaction of the Secretary and therefore has a statutory preference in renewal.

SUPPLEMENTARY INFORMATION: The concession contract at Muir Woods National Monument will expire on

December 31, 1995, unless extended. The National Park Service will not renew this contract for an extended period until planning can be conducted to determine the future direction for concession services at Muir Woods National Monument. The necessary planning process is expected to begin shortly and will affect the future of the concession. The planning process is expected to take two to three years to complete. Until that planning process is completed, it will not be in the best interest of Muir Woods National Monument to enter into a long term concession contract. For these reasons, it is the intention of the National Park Service to extend the current contract for a period of three years beginning January 1, 1996. Benefits accruing to the government under this contract were renegotiated in 1994.

Information about this notice can be sought from: Business Manager, Golden Gate National Recreation Area, Attention: Robert Kates, Building 201, Fort Mason, San Francisco, California 94123, or call: (415) 556-3104.

Dated: May 25, 1995.

Patty Neubacher,

Acting Regional Director, Western Region.

Notice of Intent To Issue a Prospectus for the Operation and Management of a Medical Clinic

SUMMARY: Medical operations at the Yosemite Medical Clinic have been conducted by Samaritan Health Services of Phoenix, Arizona. Due to management decisions by Samaritan, they intend to cease such operations in the Fall of 1995. The Clinic also supports the emergency medical requirements related to park emergency and rescue operations. The current business grosses roughly \$1.5 million per year. The clinic operates from a government owned building. Some housing is also provided by the government. These facilities are provided for a fee. Samaritan will sell certain personal property (supplies and equipment) to the incoming operator. Other equipment and supplies are to be provided by the new operator. All of the requirements as well as needed improvements to the facilities, are described in the Prospectus. The new contract will be for a term of between 5 and 15 years depending on the degree of facility improvements agreed to and other factors described in the Prospectus.

If you are interested in this business opportunity and wish to receive a copy of the Prospectus and the Application when they are issued, please send your name and address to: National Park Service, Concession Program Management Division, 600 Harrison Street, Suite 600, San Francisco, CA 94107-1372, or call: (415) 744-3981—Teresa Jackson; when the Prospectus is issued, applications will be accepted for SIXTY (60) days under the terms described in the Prospectus.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-706 (Final)]

In the Matter of Canned Pineapple Fruit From Thailand; Commission Determination to Conduct a Portion of the Hearing in Camera

AGENCY: U.S. International Trade Commission.

ACTION: Closure of a portion of a Commission hearing to the public.

SUMMARY: Upon requests of petitioner Maui Pineapple Company, Ltd. ("Maui") and respondents Thai Food Processors' Association ("TFPA") and the Government of Thailand in the above-captioned final investigation, the Commission has unanimously determined to conduct a portion of its hearing scheduled for June 1, 1995, *in camera*. See Commission rules 207.23(d), 201.13(m) and 201.35(b)(3) (19 C.F.R. 207.23(d), 201.13(m) and 201.35(b)(3), as amended, 59 Fed. Reg. 66,719 (Dec. 28, 1994)). The remainder of the hearing will be open to the public.

FOR FURTHER INFORMATION CONTACT: Rachele R. Valente, Esq., Office of the General Counsel, U.S. International

Trade Commission, 500 E Street, S.W., Washington, D.C. 20436, telephone 202-205-3089. Hearing-impaired individuals are advised that information on this matter may be obtained by contacting the Commission's TDD terminal on 202-205-1810.

SUPPLEMENTARY INFORMATION: The Commission believes that the parties have justified the need for a closed session. Because Maui is virtually the sole domestic producer, a full discussion of its financial condition and of many of the indicators that the Commission examines in assessing material injury, or threat thereof, by reason of subject imports can only occur if at least part of the hearing is held *in camera*. In making this decision, the Commission nevertheless reaffirms its belief that whenever possible its business should be conducted in public.

The hearing will include the usual public presentations by petitioner and by respondents, with questions from the Commission. In addition, the hearing will include an *in camera* session for presentations including BPI by petitioner and respondents, and for questions from the Commission relating to the BPI. For any *in camera* session the room will be cleared of all persons except (1) those who have been granted access to BPI under a Commission administrative protective order ("APO") and are included on the Commission's APO service list in these investigations (see 19 C.F.R. 201.35(b)(1), (2)); (2) non-APO authorized Maui personnel when Maui's BPI will be discussed; and (3) non-APO authorized foreign producer personnel when such producer's BPI will be discussed. See 19 C.F.R. 201.35(b)(1), (2). The time for the parties' presentations and rebuttals in the *in camera* session will be taken from their respective overall allotments for the hearing. All persons planning to attend the *in camera* portions of the hearing should be prepared to present proper identification.

Authority: The General Counsel has certified, pursuant to Commission Rule 201.39 (19 C.F.R. 201.39) that, in her opinion, a portion of the Commission's hearing in *Canned Pineapple Fruit Thailand*, Inv. No. 731-TA-706 (Final) may be closed to the public to prevent the disclosure of BPI.

By order of the Commission.

Issued: May 26, 1995.

Donna R. Koehnke,
Secretary.
