#### National Park Service

##### Intention To Extend an Existing Concession Contract—Muir Woods National Monument

**SUMMARY:** Pursuant to the Act of October 9, 1965 (79 Stat. 969; 16 U.S.C. 20 *et seq.*), notice is given that the National Park Service intends to extend the concession contract at Muir Woods National Monument for a period of three years. This extension is necessary to allow the continuation of public services during the completion period of the planning documents for the park. The current concessioner has performed its obligation to the satisfaction of the Secretary and therefore has a statutory preference in renewal.

**SUPPLEMENTARY INFORMATION:** The concession contract at Muir Woods National Monument will expire on

December 31, 1995, unless extended. The National Park Service will not renew this contract for an extended period until planning can be conducted to determine the future direction for concession services at Muir Woods National Monument. The necessary planning process is expected to begin shortly and will affect the future of the concession. The planning process is expected to take two to three years to complete. Until that planning process is completed, it will not be in the best interest of Muir Woods National Monument to enter into a long term concession contract. For these reasons, it is the intention of the National Park Service to extend the current contract for a period of three years beginning January 1, 1996. Benefits accruing to the government under this contract were renegotiated in 1994.

Information about this notice can be sought from: Business Manager, Golden Gate National Recreation Area, Attention: Robert Kates, Building 201, Fort Mason, San Francisco, California 94123, or call: (415) 556-3104.

Dated: May 25, 1995.

##### Notice of Intent To Issue a Prospectus for the Operation and Management of a Medical Clinic

**SUMMARY:** Medical operations at the Yosemite Medical Clinic have been conducted by Samaritan Health Services of Phoenix, Arizona. Due to management decisions by Samaritan, they intend to cease such operations in the Fall of 1995. The National Park Service will shortly issue a Prospectus seeking a new concessioner to operate and manage the Yosemite Medical Clinic in Yosemite National Park, California.

**SUPPLEMENTARY INFORMATION:** Medical services for visitors to Yosemite and for the resident population of government and concessioner employees are provided at the Yosemite Medical Clinic. The Clinic also supports the emergency medical requirements related to park emergency and rescue operations. The current business grosses roughly \$1.5 million per year. The clinic operates from a government owned building. Some housing is also provided by the government. These facilities are provided for a fee. Samaritan will sell certain personal property (supplies and equipment) to the incoming operator. Other equipment and supplies are to be provided by the new operator. All of the requirements as well as needed improvements to the facilities, are described in the Prospectus. The new contract will be for a term of between 5 and 15 years depending on the degree of facility improvements agreed to and other factors described in the Prospectus.

If you are interested in this business opportunity and wish to receive a copy of the Prospectus and the Application when they are issued, please send your name and address to: National Park Service, Concession Program Management Division, 600 Harrison Street, Suite 600, San Francisco, CA 94107-1372, or call: (415) 744-3981—Teresa Jackson; when the Prospectus is issued, applications will be accepted for SIXTY (60) days under the terms described in the Prospectus.
