*OMB Control No.:* 3060-0422.

*Expiration Date:* 05/31/98.

*Title:* Waivers (Application for Waiver of Hearing Aid Compatibility Requirement), Section 68.5.

*Estimated Annual Burden:* 30 total annual hours; 3 hours per response.

*Description:* Section 710(b) of the Communications Act requires that almost all telephones manufactured in or imported into this country after August 16, 1989 be hearing aid compatible. Refurbished, repaired or resold telephones, telephones used with public and private mobile radio services, and secure telephones used for classified communications are exempt. The HAC Act provides a three year grace period for cordless telephones before they must comply with the requirement. Congress recognized, however, that there may be technological and/or economical reasons some new telephones may not meet the hearing aid compatibility requirement. Therefore, it provided for a waiver requirement for new telephones base on technological and economical grounds. Section 68.5 of the Commission's rules provides the criteria to be used to assess waivers. Applicants seeking waivers must submit sufficient information for the Commission to make an informed decision.
