Trailblazer Pipeline Company; Notice of Proposed Changes in FERC Gas Tariff

May 31, 1995.

Take notice that on May 26, 1995, Trailblazer Pipeline Company (Trailblazer) tendered for filing to be a part of its FERC Gas Tariff, Third Revised Volume No. 1, Second Revised Sheet Nos. 149 and 155, to be effective May 4, 1995.

Trailblazer states that the purpose of the filing is to conform with the Commission's Order No. 577, which changed the Commission's Rules and Regulations as follows: (1) Prearranged releases of exactly one month are no longer required to have open seasons and (2) the minimum time period before a subsequent short-term prearranged release to the same replacement shipper was shortened to 28 days.

Trailblazer requested waiver of the Commission's Regulations to the extent necessary to permit the above tariff sheets to become effective May 4, 1995, the effective date of the Commission's Order No. 577.

Trailblazer states that a copy of the filing was mailed to Trailblazer's jurisdictional transportation customers and interested state regulatory agencies.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests should be filed on or before June 7, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding.

Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the public reference room.

ENVIRONMENTAL PROTECTION AGENCY

[FRL-5215-6]

National Environmental Education and Training Foundation, Inc. Announcement of a New Appointment to the Board of Directors

The National Environmental Education and Training Foundation was created by Public Law #101-619, the National Environmental Education Act of 1990. It is a private 501(c)(3) non-profit organization established to promote and support education and training as necessary tools to further environmental protection and sustainable, environmentally sound development. It provides the common ground upon which leaders from business and industry, all levels of government, public interest groups, and others can work cooperatively to expand the reach of environmental education and training programs beyond the traditional classroom. The Foundation will develop and support a grant program that promotes innovative environmental education and training programs; it will also develop partnerships with government and other organizations to administer projects that promote the development of an environmentally literate public.

The Administrator of the U.S. Environmental Protection Agency, as required by the terms of the Act, announces the appointment of Sam Rowse and Wayne Allen to the National Environmental Education and Training Foundation, Inc. Board of Directors.

Sam Rowse is President of Veryfine Products, Inc., Westford, Massachusetts. Mr. Rowse served as company treasurer from 1972 through 1989 when he was named President. He has served as vice chairman of the board of directors for the Processed Apples Institute and is a member of the National Juice Processors Association. Mr. Rowse is a member of the Joslin Clinic's Boston Committee and serves as trustee of The Deaconess Nashoba Hospital in addition to holding the position of corporator at the Deaconess Hospital in Boston.

Mr. Rowse is a graduate of Lawrence Academy in Groton, Massachusetts and holds a business degree from Nasson College in Springvale, Maine. His term of office is four years.

W.W. (Wayne) Allen is chairman and chief executive officer of Phillips Petroleum Company. Mr. Allen joined Phillips in 1961 as an engineer. After holding various staff engineering positions, Mr. Allen was elected to the board of directors in 1989, in 1991 became president and chief operating
